## Co-op at O.M.B. Rezoning Hearing

**Tweed** - An Ontario Municipal Board hearing was held in Tweed last Friday to listen to objections against a proposed zoning by-law which would see the building of a satellite operation of the Madoc Co-op.

Legal counsel for the Village of Tweed gave evidence that all legal requirements were met by the Village, Niall Carney, County Planner attested to the fact that the proposed by-law met all planning requirements and indicated that there were no objec-

tions from any other ministry or municipal body to the proposed by-law. He cited various regulations governing the building and usage of such a facility as proposed by the Co-op and outlined the safeguards to public health and environment incorporated in those regulations.

Mr. Ed. Labarge of Tweed, one of the objectors to the by-law, read a prepared statement outlining his concerns over possible environmental damage, citing a recent fire at a farm supply outlet in the

Maritimes which had caused the evacuation of the population due to smoke and fumes from chemicals burning. His other concern was the possible lowering of property values in the area.

Mr. Charles Dorricot, also read a statement voicing similar concerns including concern over the storage of hazardous materials and the handling of such items in the event of a spill.

Another citizen voiced concern over the fact that large transports would be

using the premises and that it could possibly be a traffic hazard.

Bill Havekes, Manager of the Madoc Co-op gave evidence under questioning by the Co-op Lawyer, Robert Reynolds, outlining in detail the operation of the proposed outlet, types of merchandise, storage and handling facilities and the fact that such operations are under regular inspection by various authorities.

An expert on chemicals from the Co-op head office then testified as to the types and

handling procedures of chemicals that could be stored in the building.

The Chairman closed the hearing by announcing that he would digest the evidence and issue a recommendation within the next week or so.

Bill Havekes said that he felt that the hearing went quite well and that he is optimistic that the result of the hearing would be favourable to the Co-op.

"We'd like to start breaking ground as soon as possible," he said.

Action in the dying minutes of the game.

CHSS

## One Step Closer to Title

On a chilly Friday afternoon, the Senior Centurions crushed Quinte Secondary School Saints by a score of 37 to 8 to win the semi-finals in the Bay of Quinte competition.

It was a fairly even game

until about the third period when the Centurions started piling up the points. They maintained the pressure right to the end, scoring another touchdown in the dying minutes of the game.

This win places them in the

finals against Moira next Thursday. A win in this game would make them Bay of Quinte Champions and earn them the right to move on to playoffs in C.O.S.S.A.

Well done team and good luck against Moira.

## Ministry Flip-Flop?

The fate of the Madoc Court still drags on, although there is some indication that it might be resolved in the near future.

On October 9th., a spokesman for the Ministry of the Attorney General's office said that the Madoc Court is not a high priority facility to be upgraded or granted more money for new facilities. He also said that Madoc has proven unsuitable or infeasible for such improvements.

Last week this same individual is quoted as saying that his ministry would be willing to increase the daily fee paid by the province to cover the cost of improving the facilities. He also said that it would be unreasonable to expect anyone to spend money on facilities and not increase the rent. He is also quoted as saying that he has a letter from another department indicating that the

Kiwanis are not interested in making any improvements.

There has been no indication from anyone concerned with this situation in Madoc that there has been a refusal of any kind to try and meet the demands of the court. Also there is no indication from these individuals that there has been any formal indication as to what changes are expected in the facilities.

Reeve Tom Deline indicated that he has had a telephone call from Mat Veskimets of the Attorney General's office concerning the situation but preferred not to go into details. When asked if he, or anyone else had received details as to the required changes, he replied, "Only verbally. I expect written confirmation in the very near future and will make a comment at that time."

## H.T.F.D.

### Auxilliary Christmas Sale

The Women's Auxilliary of the Huntingdon Township Fire Department are holding a fundraising craft sale and tea on Saturday November 8th.

This auxilliary has raised \$2500 since its inception just under a year ago according to Brenda Allen, secretary of the group.

"The auxilliary was formed to raise money so that we can buy items of equipment for the firemen. Things such as a "Deluge" machine that would not ordinarily be included in

the municipal budget, said Mrs. Allen.

The "Deluge" machine apparently provides a "wall of water" which provides firemen with a measure of protection when fighting excessively "hot" fires.

A modest admission charge of \$1.00 for adults and .50 for children will get you into this Christmas Craft Sale and cover the cost of refreshments.

All proceeds will go to purchasing fire fighting equipment.

## Look at us, now

Look at us now! Have you seen the difference in your newspaper from Cembal Publications yet?

It may not have registered, but you're looking at a different format in our papers this week. We've gone from a seven column newspaper to what is fast becoming the standard size - five columns.

The change in format has come about through the requests of our readers. You have made us aware of the fact that you feel our column width is too narrow, so we've made the width considerably wider to make it easier for you to read our newspaper.

To you, the change may have been a long time in coming, but it is the type of thing that can't be done overnight. Besides the

change in column width, we have also come up with a new system of selling our advertising space. This new format has been in the planning stages for several months, but we have had to make sure that our advertisers understood the new selling system before we could actually put it into practice.

As of this week, we feel we're ready to take the next step. Studies have shown that this new, wider format is easier to read and, as we've found out over the past two years, it is much easier to deal with where the computers are concerned. In other words, it's easier for you to read and it is easier for our computers to typeset. With the new advertising system, we hope it will also be easier

for our advertisers to buy just the right amount of space for their ads.

Another change that you may be far less aware of is a new system of producing our pictures in the newspaper. It's called the DPS system and should result in better reproduction of staff-taken pictures. We're very pleased with the new system, even though we've just begun to really get it down pat. It's just one more way that we hope to make our papers better for you, the readers.

So we've taken the final step and put out our first issue in the new format. We hope you like it and, if you have any other suggestions for changes, we would be happy to hear about them.

## Railway Accident

An accident at the Belleville railway yards, saw Mr. Frank Pringle, 62, left severely injured.

In alighting from a slow moving freight train, Mr. Pringle apparently slipped and his legs went under the train. It is reported that Mr. Pringle

has lost one leg from just below the knee and the foot from the other leg.

Details are sketchy and no information is being released by the Railway Police until their investigation is completed some-time this week.

BUCKINGHAM PALACE

8th October, 1986.

Dear Mr. Hall,

I am commanded by The Queen to thank you for your letter of 22nd September containing a message of loyalty from the Madoc Branch of the Royal Canadian Legion.

Her Majesty much appreciated this message and sends her warm thanks and good wishes to all concerned.

I have to tell you, however, that it is not the normal practice for messages from The Queen to be read out at Church Services. I imagine, however, that you will be holding a reception or gathering near to Remembrance Day at which Her Majesty's thanks can be conveyed to the members of the Branch.

*Your sincerely,  
 Kenneth Salt*

The Reverend John B. Hall.

### Legal Services A.G.M.

The Federal and Provincial Governments have created many rights for citizens which are worthless if the citizen has no access to legal advice or representation to enforce them! FREE ACCESS is available through Hastings and Prince Edward Legal Services, your community based legal clinic, in both Hastings and Prince Edward Counties.

Legal clinics in Ontario ARE NOT government run! They are local in character, independent and governed by a Board of Directors, elected from the community. To keep the clinic independent and with local autonomy, we must have input from the community its serves!

The clinic is holding its annual general meeting on Wednesday, November 12, 1986 at Corby Distilleries Ltd., River Road, Corbyville, commencing at 7:00 p.m., at which time there will be elections for a new Board of Directors for the next year. By taking out a two dollar membership any resident of Hastings and Prince Edward Counties are entitled to stand for election to the Board of Directors.

We urge you to attend to support and to have input into your community legal clinic on November 12, 1986 at 7:00 p.m.

## Madoc Legion

# Remembrance Day

Formal presentation of the colours at the Madoc Cenotaph.

Padre John Hall has been busy organizing a Remembrance Day that he hopes will reinforce the reasons for such services.

He feels strongly that this should be a day for remembering the sacrifices made for our country in times of war and not become just another rite.

Busy with pen and phone, Padre Hall started back in September contacting various notables and dignitaries, asking them to participate in the ceremonies or send a message to be incorporated into the day's events.

Starting at the top, he wrote to Her Majesty, Queen Elizabeth, asking for a message from the Monarch to be read out at the Church Service. He received a reply indicating that it was not the

normal practice of Her Majesty to send such messages. However, the reply said, that Her Majesty's thanks can be conveyed to members of the Branch at a gathering or reception.

Jim Pollock will be on hand but regrets have been received from George Hees, Dept. of Veterans Affairs, the Chief of Staff Canadian Armed Forces and MPP Bill Vankoughnet. Mr. Vankoughnet will be providing the Branch with a new flag.

Padre Hall hopes to have a rifle squad on hand for a three gun salute, he's working on a fly past, a student from the public school to recite in Flinders Field, a student to read a winning essay on "Remem-

brance Day". He's made arrangements to have a choir from Madoc Public School to sing Let there be Peace and adds that Warden Glen Franks, Reeve Tom Deline, Reeve John Irwin and the Reeve of Sydney Township will be among the dignitaries in attendance.

He also made mention of Major John Foote, the only Canadian Padre to win the Victoria Cross. Major Foote was born in Madoc and spent his early childhood here. He is now in his eighties and is confined to a residential home in Port Hope after suffering a recent fall.

"So you see," said Padre Hall, "It really should be a day for remembering. Don't forget to be at the Cenotaph at 10.45 am. on November the 11th."

## March of Dimes

Developing the ability in Disabled Adults

The inaugural meeting of a Hastings and Prince Edward Counties Local Advisory Committee for the Ontario March of Dimes was held recently at St. Thomas' Parish Hall, Belleville.

Ten persons from the area were in attendance to meet with Jane Szilvassy, Regional Director from Kingston and

Beth Staples, Community Services Manager from Brockville, who outlined the activities of the Ontario March of Dimes through a video presentation "Casting Shadows".

The committee hopes to identify and respond to the needs of disabled adults in the region through surveys of Transportation, Recreation, Housing, Medical Services,

Accessibility, Education, Employment and the Political Environment. The next meeting of the Committee will be held on Tuesday, November 25th at 12 noon in St. Thomas' Parish Hall, Belleville. It is hoped representatives from Trenton, Marmora and Prince Edward County will be able to attend. For further information, please contact Beth Staples at 1-342-1935

# Halloween is for Kids ?????

by Lynda Barry

Trick or Treat, Is really neat  
At C.T.C., you know  
In '86 we did some tricks  
Had some laughs and got our  
kicks  
There's Madam Ken  
always "on call" as our  
very own precious bunny doll  
And Mr. Crumb from Krinkle  
Cove  
with tie down straps by jove!!  
Sheila "the nose" with rainbow  
hair  
Clowning around up in her lair.  
And Joette on cash, what a  
bash  
straight from China Town,  
with  
long pigtail and slanted lash/  
Thought her snuff was extra  
nice

The Patti pussyfooting around  
with purrfect tail and meow  
sound  
While Audrey on her broom  
resides  
trying to take customers for a  
ride  
Meanwhile theres trash alley  
Lyn,  
Like something straight from  
the garbage bin  
While Betty in pyjamas clad  
we sent to bed  
She's really bad  
Last our eyes did feast o'er  
there  
ON boy Dave with spiky hair  
So if you're really feeling a  
mite depressed  
come into C.T.C.  
They're really messed.

Pirate Captain Monica turns her blind eye on Bonny the Witch and Evelyn the Mummy as they prepare the stew of the day at Rupert's.

"I am smiling"

Witches and leprechauns and Dracula too pose at CHADS, just for you.

The students there took great delight at teachers antics on Friday night.

This house wasn't really scary - they have a Block Parent Sign in the window.

# Madoc Minor Hockey

By Isabella Shaw  
**Madoc Midgets**  
 Madoc Midgets dropped a 12-4 decision to Ennismore in their second league game of the year.  
 Ennismore held period leads

of 4-0, 8-2, and 12-4 for the final. Scoring for Madoc in the second were Larry Bird from Scott Chapman and Tony Langevin unassisted, and in the third, Tony Langevin with his second, from Brian Fore-

stell and Jon Richardson and an unassisted marker from Derek Chapman.  
 Madoc will be in Stirling on Nov 7th at 9 p.m. and back in Madoc on Nov. 10th at 7 p.m. hosting Campbellford.

Sherrin. He scored an unassisted goal in the third to count all of Madoc's goals.

Scoring for Stirling were, J. Williams (2), M. Cooney, J. Stark and C. Kearse. Assistants went to D. Striker, D. Murray, C. Ceemmens, J. Valcamp and D. Murray.

Pee Wee B's home games are on Saturdays from 1:30 p.m., to 3:00 p.m.

**Madoc Atoms**  
 Tom Burnside netted three

goals for his first hat trick of the year in the teams 5-4 exhibition win over Tweed. The game winner was recorded at 2:26 of the third to break a 4-4 tie. Also scoring for Madoc were Todd Matthews and Maicie Deering with both unassisted markers.

Assisting on Tom's goals were Tom Sandford, Patrick St. Germain, Brad McLuckie, Geln Meeks and Gerry Brownson.

## Weekly Report

### Traffic Accidents.

On Saturday, October 25th, at 5:50 p.m., Nancy M West, of RR1 Eldorado was travelling north on Highway No. 62 and started to make a left turn onto the Old Millbridge Road when she was struck in the left fender by a second northbound vehicle that was attempting to pass her. The second vehicle was driven by Rose Velma Neal of RR1 Eldorado. Damage to the West Vehicle, a 1970 Chrysler, was estimated at \$1,000. To the Rose vehicle, a 1985 Dodge Van, damage was estimated at \$5,000. West was charged with making an improper left turn.

On Monday, October 27th, David Yule of RR1 Thomasburg was travelling south on Highway No. 37 near Roslin. Yule had the family cat in his car and his attention was drawn to the cat. Yule crossed into the north lane and struck the left rear wheels of a northbound tractor trailer. Damage to

Yule's 1971 Oldsmobile was estimated at \$4,000. Damage to the tractor trailer was estimated at \$1,500. Yule was charged with Failing to Share the Roadway.

### CRIME OF THE WEEK

On the 28th of October, sometime between the hours of 6:00 am. and 5:30 p.m., unknown culprit(s) gained entry to a residence located at Lot 7 Com 4 Huntingdon Township, by kicking in the rear door. A quantity of stereo equipment and other items were stolen. Estimated value of the property is \$9,000. An investigation into this matter is continuing.

Area residents are reminded that similar incidents to this one occurred in Hungerford and Huntingdon Townships approximately two years ago. As a result of investigations into those matters, several Belleville residents were jailed.

To prevent any serious outbreak of similar occurrences, investigators at Madoc O.P.P. Detachment are requesting local area residents to be suspicious and vigilant regarding strange persons and vehicles in the area. Be aware of your neighbours activities and don't hesitate to report any suspicious activity. Remember you are the eyes and ears of your police force and your help can go a long way to preventing and eliminating a problem.

# Big Brothers In Action

Big Brother Marc Courneya and friend Chris.

His likes and dislikes were recorded, his interests, values and attitudes were assessed and then he was matched, literally, with Chris. Matching is a vital and complex part of any Big Brother - Little Brother friendship, and helps ensure a long lasting relationship.

It's been a time of discovery for both Marc and Chris. In helping Marc build his house, Chris discovered a talent for woodworking. He's involved in metal work at school and finds he can talk to Chris about his projects in that field. Marc works as an electric motor technician and has taken Chris to his place of work where Chris discovered another area of interest.

They both agree that their relationship has turned into something special. Chris says, "I've learned a lot from Marc and this helps me in school."

Marc feels that his friendship with Chris is a worthwhile relationship. They're buddies, and Marc, who is recently married, has the support of his new bride in maintaining this friendship.

Quite often, these matches between Big Brothers - Little Brothers (and Big Sisters - Little Sisters too) develop into lifelong friendships. In the local agency there are matches that have endured for five and six years.

## BAY BRIDGE JEANS

Rossmore Trent Port Mall, Downtown Trenton

It took Marc Courneya about a year to decide whether or not he wanted to become a Big Brother. That was four years ago and this month he celebrates a three-year friendship with Little Brother Chris Downer.

One of the reasons that Marc became a Big Brother was that he didn't have a younger brother of his own to share things with. Marc had friends in his own peer group and was

leading a pretty full life, going to college, and doing all those things that young men do when growing up.

One Sunday, in church, Marc listened to his minister talking about the need for Big Brothers and what the program meant to so many young boys in need of a friend. Curiosity piqued, Marc 'looked into' the program and found that that was simply a matter of being a friend to a younger boy.

## Marmora hydro joins association

For 75 years, the Ontario Municipal Electric Association and the Association of Municipal Electric Utilities have worked together on behalf of more than 300 Ontario municipal electric utilities and their millions of customers.

To better serve the consumer and the utility, the two groups have now merged forming the Municipal Electric Association (MEA).

Marmora Hydro is a member of the new association.

The MEA acts as the utility's voice to government, Ontario Hydro and others in the electrical industry. It also helps the utility to co-operate, in an active way, with other utilities on behalf of electricity consumers.

During the month of November, the MEA will launch a public awareness campaign aimed at increasing the public's knowledge of both the association's and municipal electric utility's role in the electric utility industry.

Highlights include a bill insert program, and the official opening of the associations new offices by the Honorable Vincent G. Kerrio, Minister of Energy.

Utilities throughout Ontario will distribute bill inserts to their customers. Entitled "Working For YOU", the inserts outline the association's role of representing 310 municipal electric utilities with Ontario and their 2.3 million customers.

## Springbrook News

Spring Brook United Church celebrated their 104th anniversary on Sunday at the 11 a.m. service. The guest speaker was the Rev. Jum Gilchrist of B.T.H. in Trenton and a former minister of the Rawdon-Spring Brook area.

The evening service at 7:30 p.m. was a special service of music led by the Foxboro Second Miler's Club, followed by a social hour in the downstairs hall.

Mr. & Mrs. Dave Cretney, of Belleville and Mr. & Mrs. Elton Brant and girls of Deser-

onto spent the supper hour on Sunday with Mrs. Gladys Mason.

Mrs. Dianne Kennedy, of Ottawa spent a few days with her parents, Mr. & Mrs. Ted Preston.

The Spring Brook Women's Institute held their regular monthly meeting for October at the home of Mrs. Bernice McKeown, of the 12th line, on Wednesday.

Mr. & Mrs. Charles Metzger, of St. Jacob's were week end guests of the latter's sister,

Mrs. Esther Leonard. Mr. & Mrs. Don Radnor and Sara and Mrs. Doug Radnor of Havelock visited the same home on Saturday.

Winners at the euchre held in the hall at Harold on Tuesday evening were Bernice Eggleston (ladies high) and Eva Brownson took second. The gents high went to Hilda Mason (who was playing as a man) and second went to Leo Covey. The travelling prize was won by Amy Schram and the door prize was won by Ted Preston.

November 1, 1986

With the assistance of the Cobourg Police Department, four Stirling crimes have been cleared following the apprehension of two 20-year old Cobourg males. The incidents stemmed from June 17th and June 29th, 1986, as follows:

1. Theft of speakers and damage to a vehicle while parked overnight at McCurdy Motors.

2. Break, Entry and Theft including damage to the Cashway Lumber building centre on North Street.

3. Break, Entry and Theft of a woodworking shop situated at 54 Wellington Street.

4. Theft of a wallet from a vehicle parked at the rear of 60 Front Street East, Stirling.

Although these accused persons are facing charges in Cobourg on other matters, they are scheduled to appear in Belleville Provincial Court, Nov. 18th, 1986, in response to these charges.

On October 23rd, 1986, a smash and grab type B&E occurred at the liquor store on North Street, Stirling. The front door glass was broken from a front door and entrance gained. A small amount of liquor was stolen. This occurrence appears to be related to the 4:00 a.m. entry and theft from Frankford Variety on the

## Stirling Police Report

same date.

The Hallowe'en festivities passed with little damage or disturbances. Some residents did experience some missing items that had not been secured, however, a short search was usually all that was needed to locate the items once again. The usual supply of "contraband" (soap, eggs, shaving cream) was seized and kept for safekeeping. Once again, the Stirling Police would like to thank all participants of the October 31 evening for their assistance, in particular the members of the Stirling Volunteer Fire Department for their patrols and backup.

# Township of Huntingdon

The regular meeting of the Council of the township of Huntingdon was held at the Township Hall in Ivanhoe on Tuesday October 14, 1986.

A quote was received from Quinte Concrete Placing Co. to construct a cistern under the new washrooms.

Council agreed that the quote be accepted from Quinte Concrete Placing Co. to construct a cistern under the new washrooms at a cost of \$929.45 and further, that an overflow be installed at the top on the west end of the cistern and the necessary plumbing be completed by Ron Treverton.

Council was presented with a heat loss report prepared by Ontario Hydro for the original part of the Township Hall.

Estimates were also reviewed for a new electric furnace, heat pump and air conditioners.

It was agreed that estimates on a new oil furnace be obtained from Ron Ellis, Ron Treverton, Don Woods and Ted Hailstone & Sons.

The Clerk was requested to obtain a price comparison between electricity and oil.

A discussion took place regarding a flooding problem in the area of Lot 2 Concession 13.

The Road Superintendent was authorized to ditch and install a culvert in the area of Lot 2 Concession 13 to alleviate a flooding problem.

The Road Superintendent was requested to compile a cost estimate on construction and preparation of the 12th Concession Road for possible future surface treatment and that an application be made to M.T.C. for supplementary funding.

The Clerk presented Council with road Budget figures to date, and the Road Budget Report was accepted as presented.

It was decided that the Fall road Tour would tentatively be scheduled for Saturday November 29th.

Moved by Ken Yarrow, Seconded by Owen Ketcheson, "That letters of appreciation be forwarded to the people who took part in the Township Booth at the International Plowing Match." Carried.

Council was provided with reports on the Summer Programs, "Experience" and "Seed."

Correspondence was received from the Regional Assessment Office.

1. Section 496 (a) - Municipal Act to cancel assessment of 190 on Roll Number 30-00630, being Pt. Lot 5, Con. 12 - Ministry of the Attorney - General, proper-

ty now exempt.

2. Section 496 (a) - Municipal Act to cancel business assessment of 2065 on roll Number 15 - 038100010, Pt. Lot 4, Con. 2 - Robertson Pine Mfg. company bankrupt.

3. Apportionment of assessment on property assessed to William A. Rawson, Roll Number 30-191. One parcel sold, one parcel retained.

Council concurred with the assessment changes received from the Regional Assessment Office.

Harold Cheese Factory has requested Council's approval to dump whey on Harold Morgan's Farm, Lot 2, Concession 9 from December/86 to June/87.

Council reserved judgement on the request from Harold Cheese Factory as all the facts are not available at this time.

Correspondence was received from John & Janet Foster regarding the CP railway line which runs through their farm, Lot 15, Concession 9.

It was agreed that correspondence be forwarded to John & Janet Foster thanking them for their letter which will be kept on file for future reference. To our knowledge application has not been made to abandon the railway line and if abandoned, the property would probably be offered first to the Federal or Provincial authorities. If our municipality becomes directly involved, discussions would probably ensue with neighbouring municipalities as well as considering public input.

Vera Robertson has received notice that dogs picked up have to receive a rabies shot before leaving the pound. She would like the Township to assume the cost for the shots.

Council decided that the owner or person receiving a dog from the pound be responsible for the cost of a rabies vaccination.

The Reeve advised Council of an upcoming seminar on Waste Management to be held at the Royal York Hotel October 23rd & 24th, 1986. He suggested that the Clerk be authorized to attend as she acts as Co-ordinator for the Centre & South Hastings Waste Management Steering Committee.

A discussion with Mr. Clemens, the Committee Chairman, also confirmed his agreement.

The Clerk was authorized to attend the Waste Management Seminar in Toronto and a suggestion that the expenses be incurred by the Steering Committee.

Severance applications B309/86 and B310/86, Lyts Begijn, Pt. Lots 10 & 11, Concession 7 were presented to Council for approval.

Moved by Owen Ketcheson, Seconded by Bill allen,

"That Council recommend consent be granted to Severance Applications B309/86 & B310/86, Lyts Begijn, subject to a 13 ft. strip of land being deeded to the Township for possible future road widening and the \$100.00 lot levy being collected on each." Carried.

The Royal Canadian Legion

# Lest we forget

**Branch 363**  
**Royal Canadian Legion**  
**Madoc**

THEY ARE NUMBERED AMONG  
THOSE, WHO AT THE CALL OF  
KING AND COUNTRY LEFT ALL  
THAT WAS DEAR TO THEM,  
ENDURED HARDNESS, FACED  
DANGER, AND FINALLY PASSED  
OUT OF THE SIGHT OF MEN BY  
THE PATH OF DUTY AND SELF  
SACRIFICE, GIVING UP THEIR  
OWN LIVES THAT OTHERS MIGHT  
LIVE IN FREEDOM. LET THOSE  
WHO COME AFTER SEE TO IT THAT  
THEY BE NOT FORGOTTEN.

LORD GOD OF HOSTS  
BE WITH US YET.  
LEST WE FORGET.  
LEST WE FORGET.

The dreams for which young heroes died,  
How cheap they seem today  
Except to those who loved so much,  
And watched them march away  
We live because they died, and yet,  
They live if we do not forget.

**COUNCIL FOR THE VILLAGE OF MADOC**  
**Tom Deline, Reeve**

Take up our quarrel with the foe,  
To you from falling hands we throw  
The torch, be yours to hold it high,  
If ye break faith with us who die  
We shall not sleep, though poppies grow  
In Flanders Fields.

**Management & Staff**

Let them sleep, let them sleep on,  
Till the stormy night be gone,  
And the Eternal morrow dawn,  
The curtains will be drawn.  
And they wake into light  
Whose days shall never die in night.

Management & Staff of

We wear a poppy to remember  
The people who served in war  
They died for us to keep us free  
And gave their lives for you and me.

478-3445

It's not the pomp and pride of kings that make a soldier brave;  
Tis not allegiance to the flag that over him may wave;  
For soldiers never fight so well on land or on the foam  
As when behind the cause they can see the little place called home.  
Endanger but that humble street where on his children run.  
You make a soldier of the man who never bore a gun.

## Quinte Region Champs.

The Quinte Region Secondary School senior football championship game was played at Centre Hastings Secondary School last Thursday and

the title stayed here in Madoc. Coaches and players pulled out all the stops in this fast paced game that saw the action swing from end to end.

The Centurion defence made some crucial stops. Here's the Trojan quarterback about to get sacked - again!

Centurions opened the scoring with a field goal but on the next play, the much vaunted Trojans logged a 75 yard touchdown. Trojans intercepted a Centurion play in the first quarter and in their next play had a touch down nullified by a holding penalty. Centurions came back with a touch-down in the second quarter and finished the half with a lead of 10-9.

In the second half, both offensive and defensive units of the Centurions displayed determination and drive. A pass to a player in the open behind the Moira players led to a 70 yard touchdown and a sack on the Moira 15 yard line gave the Centurions the opportunity for another score.

Trojans came back late in the final quarter to bring the score to 24 - 16 in favour of Centurions. On this last T.D., Moira elected to go for a two point conversion but a determined Centurion defence took the Trojan ball carrier out of bounds just inches short of the goal line.

This 24-16 win over the Trojans, puts the Centurions into battle with Adam Scott Lions in Peterborough next Wednesday for the COSSA title.

Congratulations team and keep up the good work on Wednesday.

Constable Norman Papi is proud of his award and impressed with the laser inscribed lettering on the plaque.

## Local Officer Honored

Constable Norm Papi of the Madoc Detachment of the Ontario Provincial Police was honored at a ceremony which wound up a day long seminar on Crime Prevention.

In Trenton last week, Ontario Solicitor General Ken Keyes, presented an engraved plaque to Papi in recognition of his service to the community in the area of crime prevention.

Well known in the area through his work as Community Relations Officer for the Madoc OPP Detachment, Norm has done a tremendous job in local schools with the Values, Influences and Peers program (V.I.P.). He has created an atmosphere where students from the schools he has visited, look upon the police force as friends and helpers rather than strictly law enforcement officers.

In addition, Norm has made himself available to a number of organizations as a guest speaker, covering a variety of topics related to crime prevention and police/community relations. He's the one who writes the weekly police report you see in this paper and he's the one who is always ready to help various social agencies if they need specific advice.

He has a busy, busy schedule in his Community Relations job, as well as being called upon from time to time to take part in patrols or specific occurrences.

Norm was one of four Hastings County men to be honored with this award and one of 200 so honored throughout the Province.

Congratulations to Constable Norm Papi. The award was well deserved and well earned.

## O.P.P. RIDE program

In a press release from the Madoc Detachment of the OPP there is a special warning for drinking drivers. It reads as follows:

In spite of intense media campaigns, tougher criminal penalties and police spot-checks across Ontario, there is still an alarming number of motorists who persist in drinking and driving.

Commencing November 17th, 1986, the Madoc Detachment of the Ontario Provincial Police will increase their spot-checks and enforcement efforts to reduce impaired driving.

The message contained in those two paragraphs is quite clear, **DON'T DRINK AND DRIVE.**

The Ladies Auxiliary of the Huntingdon Township Fire Department were kept busy at their Christmas Craft Sale last Saturday. The money raised from the rental of vendor tables and admission will bolster their equipment purchase fund.

## Family Violence Prevention Week

Health and Welfare Canada estimates that one in every ten women who is married or living with a man is battered by her husband or partner.

Family violence is part of family life for thousands of Canadian women and battered women suffer injuries ranging from cuts and bruises through broken bones and even loss of life.

The first week in December has been declared "Family Violence Prevention week"

and the Centre Hastings Family Violence Committee will have a full schedule of events planned for that week.

Just as physical and sexual abuse of children was kept "in the family", the "Battered" Cont'd on page 2

All Cembal Publications (1981) Ltd. newspapers will be a day late this week due to the fact that all post offices will be closed Tuesday, November 11th, Remembrance Day.

Mark Graham brought in this 241lb buck to the Madoc Meat Market. There is another one at 156lbs in this bunch which came from the same camp. Butcher Dave Peterson and helper Mark Nicholson had processed about forty deer by Friday of last week and expected an equal amount to come in from the last week of the hunt.

## Battered Women

The Centre Hastings Family Violence Committee have listed a number of commonly held beliefs about battering.

Check through these statements and mark them True or False.

1. This type of violence only happens to a very few women.
2. Wife abuse only occurs in low class, uneducated, unskilled, minority families.
3. This type of violence is minor and may only involve a push or a slap in the face.
4. There is usually only one incident of violence and after

that the man realizes what he did and stops the behaviour. If it does continue it will happen less and less often.

5. The woman provokes or causes the violence by something she does or says.
6. A woman deserves to be physically assaulted and needs to be taught a lesson for her own good.
7. Women enjoy being dominated, assaulted and raped. Women are basically masochistic.
8. The man does not have a

## New Business

Your Choice Unisex Hair-styling opens its doors for business this week at the south end of the business section on Durham St.

Partners Tracey Gooderham and Nancy Creighton will be offering a family style service to men, women and children covering all aspects of hairstyling.

Both of these young ladies are fully qualified and have a number of years experience in unisex salons. Tracey worked in Cambellford until just recently and Nancy comes from a hairstylist in Tweed.

They are excited with the prospect of building their business through quality and service and plan on fulfilling their client's wishes. Appointments are not always necessary but for those clients who have busy schedules, or those with special events coming up, appointments are suggested.

Welcome to the business community ladies and good luck.

Tracey Gooderham and Nancy Creighton (standing), pose with Mary Holloway and John Hall, in their new store.

## Madoc Historical Foundation

Madoc Historical Foundation met at Madoc Public Library on Oct. 15th, for a lively meeting. Discussions included LACAC and subjects of interest for future meetings. Those attending the meeting were from Madoc, Madoc Township and Huntingdon Township. They were treated to an interesting but much too brief early history of Madoc. The archives of the Library

were visited and many new sources of information there were on display.

Gerry Boyce, noted author and historian will be the guest speaker at the next meeting of the Madoc Historical Foundation, Nov. 19th, 7:30 p.m. at Madoc Public Library. Mr. Boyce is author of many books including "Historic Hastings" and soon to be published "Gold Rush".

Come and bring a friend. Non-members welcome at all meetings.

Cont'd from page 1

Women' incidents have been kept under wraps. With the advent of programs to help these women, together with new laws that have some truth in them, more and more cases will come to light.

A lot more information on this social problem will be forthcoming. Publicity, greater availability of programs for battered women, public meetings and a continuing community education and awareness program can be expected, and is needed, to combat this situation.

If you want more information, or help, call Paula Buskard, at 473-4247. Paul is the President of the Centre Hastings Family Violence Committee and is in a position to be of assistance.

As a lead in to Family Violence Prevention Week, the film "To have and to hold" (dealing with family violence) will be shown on

Tuesday 18th Nov. at 7 p.m. at the Health Unit.

There is no charge for this showing. Entry is by the side door of the Health Unit.

If you'd like to see this film but can't get a baby sitter, bring the children with you as a child care service will be provided.

Above, inset Leanne Phillips, (also with back to camera), Leanne Empey, Kelly Matchett and in the back, Christine Denison, Calvin Bowry and Kim Derry, all still rocking (slowly) after almost eleven hours. Calvin wasn't rocking - he had the hard job of keeping up the morale of the rockers.

## Youth Group Rocks

Below, Nancy Guenette, Sandra Treverton and Kristin Johnston smile as they rock towards their next two hourly, ten minute break.

The Trinity United Church hall was really rocking in the early hours of Friday last. That's what we were told. On checking this story out, we found it was gently rocking.

Eight young ladies were doing the rocking in comfort looking rocking chairs.

As part of the youth group of the church they were raising money for the group's activities by holding a 24 hour Rock-a-thon.

They had been rocking for eleven hours when we dropped in and were in a quiet phase. There had been a few drop-outs and at least one adult who had started the Rock-a-thon at midnight had moved to a regular chair. The Reverend Annette Reinhardt admitted that she didn't have the energy to keep up with the youngsters.

The money raised will be used for the Youth Group's activities; one of which will be to establish a Choral music library.

## Presbyterian C.W.C.

by Catherine Weaver  
The Women's Club of St. Peter's Presbyterian Church, Madoc met at the home of Mrs. Sue Beals on Monday, November 3 at 3 p.m.

The President, Anne McIntosh opened the meeting with a reading entitled, "Take Heart".

The Devotional conducted by Mrs. Mary Trotter began with the reading of Psalm No. 91 verses 1-9, and several verses from the Hymn, "How firm a Foundation", closing the devotional with prayer.

Plans were discussed regarding the Christmas Tea and Bazaar on December 6.

Miss Lamoine West was in charge of the program and showed slides and told us about her recent trip to Europe and a cruise on the Danube River.

Lunch was served by the hostess and her assistants Mrs. Agnes Reid and Mrs. Edith Aylsworth.

Miss Prudence McIntosh expressed the thanks of the Club to the hostess and everyone who assisted in the program.

## St. John's ACW

By Annie Allt  
St. John, the Baptist A.C.W. held their meeting in the Rectory on Nov. 4. Margaret Kellar our President opened the meeting with prayer and Scripture reading from Ephesians 4 verses 1-4. Her theme was Stewardship and Talent.

The President read a letter from our foster child. Eight ladies attended the Deanery meeting in Marmora. Mrs. Clarke thanked the ladies for serving lunch after Rev.

Clarke's Induction Service. A thank you letter was also received from the Bishop. A successful Rummage sale was held on Oct. 25. Our bazaar will be held on Nov. 29 from 2-4 in the Parish Hall. On Dec. 2nd we will be having a pot luck supper in the Rectory. There will be an exchange of gifts.

Rev. Clarke closed the meeting with prayer. Rev. and Mrs. Clarke served a delicious lunch.

Centre Hastings Adult Day School is fundraising again. This event is an indoor yard sale with flea market type merchandise. Actually it's the students who are doing the fundraising to support their various activities. The sale runs from 9 am. to 2 pm. on Saturday the 15th. November.

## Battered

Cont'd from page 2  
problem with violence; instead, it all happens because of alcohol and if he stops drinking the violence will also stop.

9. All men that beat up their female partners are mentally ill.

10. The violence is just a result of an argument that has gotten out of hand.

11. If the children see the violence it will not have any effect on them.

12. If a woman stays in a relationship where she is being beaten, she must enjoy it.

13. Women should stay in the home and keep the family together NO MATTER WHAT. Besides, women cannot survive on their own and have

no available alternatives and support systems in the community.

14. If a woman leaves her partner because he is beating her, she can still be charged with desertion.

15. It is not a crime to assault your wife or partner. She is a man's property.

16. A woman gets battered because she's not performing sexually.

They are all false. If you marked any of these statements as being true and are interested in finding out why they are false contact a member of, The Family Violence Committee. (Paula Buskard at 473-4247 can help or give you names of Committee members.

### GENERAL OCCURRENCES

On Sunday, November the 2nd, Paul Sine of Belleville reported that his cabin on the Moira River had been entered and a home made double barrel wood stove had been stolen. The stove is valued at \$200.

Also on Sunday the 2nd of November, Edgar Steed of RRI Eldorado reported his

house broken into. Entry was gained by the breaking of the glass in the front door. Property valued at \$245, was removed from the residence. This property included an AM-FM radio and a quantity of food and clothing.

### TRAFFIC ACCIDENT

On Wednesday November

25th., David C. Fleming of RR5 Madoc was driving a truck south on Concession Road 4, Lot 18 Madoc Township. Fleming was negotiating a curve when he hit a patch of ice and lost control of his vehicle, rolling over into the east ditch.

Damage to the 1986 GMC pickup truck was estimated at \$8,000. Fleming Received minor injuries.

"Honest Mr. Pyear, it only hurts when I talk, breathe, laugh, run or walk. I can play, honest!"

This catch was succesful and the resulting runback put the Centurions in a good position to score a touchdown on their next play.

## Obituaries....

GERTRUDE  
IRENE  
DEVOLIN

Funeral services were held for Gertrude Irene Devolin of Leisure World Nursing Home, North Bay, Ontario, October 20, 1986. Mrs. Devolin passed away October 17th in her 77th year. She was the beloved wife of the late Walter Devolin. Loving sister of Wilma Edwards of North Bay and

dear aunt of Donna Timko of Windsor. Dearly loved mother of Allan and his wife Jacqui of North Bay and Brian and his wife, Bonnie of Callander. Predeceased by her brothers Raymond and Ronald Vaughan. Lovingly remembered by her grandchildren, Blair, Becky, Jeffrey and Deborah.

Martyn Funeral Home Chapel, North Bay, Ontario. Interment Terrace Lawn Cemetery.

JOHN  
HENRY  
WHITE

John Henry White, of RR3 Stirling, Ontario, passed away at the Belleville General Hospital on Saturday, November 1st, 1986, in his 78th year.

John, who was born on June 12th, 1909, on the 8th Line of Rawdon, was the son of the late Mr. and Mrs. (Emma Fair) Ernest White. He was single.

John was loved by thirteen nieces and nephews and 28 great-nieces and nephews as well as seven great-great-nieces and nephews.

He is survived by his brothers Lorne, of Peterborough, Percy, of London, Ray, of Lindsay, and Harold, of Stirling, and his sister Mrs. Marguerite McMullen, of Stirling.

He was predeceased by his sister Elda Stone and his brother Wilmot as well as a great nephew Kevin Pond.

### Wellman's Corners

Congratulations to Mr. & Mrs. Daniel Sequin (nee Mary Ann Lake) who were married on Oct. 24.

Mrs. Ethel Matthews and Mrs. Sharon Sager, visited Wednesday afternoon with Mrs. Mildred Graham and Eleanor.

Congratulations to Mr. & Mrs. Larry Legree of Toronto, on the birth of a baby boy on Nov. 3, another great grandson for Mrs. Mildred Graham.

Mr. & Mrs. Glenn Graham of Belleville, were supper guests on Saturday night with Mr. & Mrs. Mildred Graham and Eleanor.

John was a retired farmer from the Stirling area.

He belonged to Mount Pleasant United Church.

The funeral was held on Tuesday, November 4th, 1986, at the William J. Thompson Funeral Home, Stirling, with Rev. Rex Norman officiating.

Interment is in Wellman's Corners Cemetery.

The pall-bearers were Roger Barrett, Alan Coxwell, Albert Hubble, Burton Sharpe, Carleton Potts and Herbert Smith.

## Carlton Showband

Juno Award winners and publically accepted, the Carlton Showband will be entertaining at the Stirling Theatre, Saturday, November 15th, at 8:00 p.m.

The Carlton's, as the Showband is known, have been together for a goodly number of years and have proven crowd pleasers from coast to coast across Canada.

Few Canadian groups can match the incredible track record of this legendary showband. Stars of CTV's long-running Pig N' Whistle TV show, Juno Award winners, 18-year RCA Recording Artists with platinum and gold albums to their credit, the Carltons have set new standards with their special blend of music and merriment.

Twice nominated for Best Country awards, the Carltons have always been described as a great down-home country music group.

This evening is surely not one to miss. A percentage of the proceeds will be donated to the local Spina Bifida Association. The members of the Showband are thankful for their high energy and good health and they are happy to assist others to achieve a higher degree of health and efficiency.

## ATOM ACTION

The Atoms opened their schedule with an 11-4 decision to Frankford. Todd Matthews

from Craig Alexander and Tom Burnside from Robbie Perrie and Glen Meeks gave Madoc a 2-1 lead at end of the first. In the second it was Patrick St. Germain with two goals to give Madoc a 4-3 lead.

Burnside, Perrie and Meeks received assists on these goals. In the third, the bottom fell out as Frankford scored eight unanswered goals for an 11-4 victory. Next home game is Nov. 22nd, at 12.30 against Marmora.

third, left Madoc in front of a 6-4 score at the games end. Ian Ketcheson converted a Jim Bailey pass for his second of the game.

In Marmora on the following night it was Joe Kehoe's big night as he found the mark five times. (Two of these were unassisted). Also with a big night were Ian Richardson with his first hat trick of the year and Jim Bailey with two. Adding Singles were Jason Frances and Ian Ketcheson.

With assists were Wesley Cromwell, Charlie Brownson, Brad Phillips, Pat Graham, Scott Tracey and Pat Mahoney. Next home game is November 28th at 7.30 pm against Frankford.

## BANTAM BANTER

The Bantams played a home and home series with Frankford and lead in all categories. Boasting 2 victories they coupled this with most goals with a 7-0 win and a 5-4 victory. They also lead in the penalty division with a total of 32 minutes in two games compared with 50 minutes for Frankford.

Brian Forestell and Stephen Brinks each had a pair of goals apiece with singles to Shawn Chapman, Derek Lucas and John Pack. Tom Deline, Rob Bronson, Paul McMaster and

Deryk McNevin recorded assists.

In Frankford the following evening it took a short handed goal with only 44 seconds left in the game for a 5-4 victory. Jeff Sawkins scored the game winner as well as opening the scoring.

Also scoring were Jason Bailey, Stephen Brinks and Brian Forestell. Bailey, Sawkins, Wood, Bronson and McMaster had assists. Next home game is Nov. 14th at 9.00 pm against Marmora.

## PEE WEE B's

The Pee Wee B's dropped their second league game by a 5-2 score. Madoc opened and closed the scoring with Tweed counting five in between. Gord Preston opened the scoring with an unassisted goal and Chad Bateman completed the scoring, also with an unassisted goal. Next scheduled home game is November 22nd at 1.30 against Stirling.

Guess who? No prizes offered.

## Is There a New Tractor in Your Future?

If you're fighting time and weather to get your fall field work completed, maybe you need to take an hour or two and go see your nearby Hesston dealer.

Walk around a Hesston tractor, kick the tires and ask about the mechanical 4-wheel drive that is available on all models. It sure could make a difference in whether you get your fall tillage done before winter sets in.

There are lots of good reasons to buy... like low rate financing, or waiver of finance.

That is before you ask about the bottom line deals that are being offered at this time.

So go in today! And don't forget to ask about the best price that can be had when you pay cash.

## Highlights - Madoc Village Council

The regular meeting of council was held in the Council Chambers on October 28, 1986. Reeve Deline called the meeting to order at 7:35 p.m.

A once weekly patrol of the Connecting Link is to be instituted to collect litter.

The Madoc zoning draft by-law is to be sent to the Protection and Development Committee.

Dr. A. Dosaj attended council and voiced his concern regarding:

1. the shed that sits on the right-of-way behind the I.G.A. and his building.

2. large trucks use this area and his property for deliveries.

3. propane tanks in the area (CTC) creates a dangerous problem due to trucks in area which come close to the tanks.

Dr. Dosaj added that he thinks the shed should be moved. He also advised that water run-off from the whole control area comes to his back

area. He said that although this is private property, something should be made available to the owners.

Reeve Deline suggested that Dr. Dosaj contact the Ministry of Agriculture and Food for assistance as it is out of the Village's realm because it is private property.

Deputy Reeve Watson suggested that this matter should be referred to Committee as there needs to be investigations done.

Council agreed that the existing building and propane tanks concerns be sent to the Protection and Development Committee.

Reeve Deline related a conversation he had with Mr. Niall Carney, County Planner regarding Building Permits.

A motion was made that pursuant to discussions with the County Planner, Mr. Carney, we hereby direct the Chief Building Inspector to adhere to the following when issuing building permits Re: renovations. Building permits are to be required when:

1. interior structural changes are to be made.

2. there is an exterior structural change and/or an altered appearance.

3. the dollar value of renovations exceeds \$1000.

The issuing of permits is to adhere directly to the Ontario Building Code utilizing the condensed version at the front of the Code book. Carried.

Deputy Reeve Watson suggested that, because this matter is being reviewed and information gathered, which was then to go to Committee, this present motion is premature.

A further motion was made that motion no. 5 be referred to Committee and was carried.

Peter Naylor spoke to council on the building permit matter. He advised that he contacted the Ministry of Municipal Affairs, who advised that no permits are needed for the secondary construction of kitchen cupboards, shingling, painting, replacing furnace, carpeting or changing partition. They also advised him that permits are issued under safety and health.

Deputy Reeve Watson said that the ad in the papers and discussions are to get input and to review the matter from the input. He added that he visited six municipalities in the area and asked if he would need a building permit to change/replace a front door. Four out of the five said that was a good question. One said no permit needed.

Mr. Naylor said that one local person was told that he had to have a building permit to put in a replacement furnace.

Reeve Deline said that they are in the process of establishing Standards by-laws. He added that all the Village did was to use the government produced brochure.

Mr. Naylor suggested that a public forum or a committee could have been set up to review the matter before taking action. He added that the definitions are the main problem.

Councillor Hall said to Mr. Naylor that Mr. Naylor has done exactly what the paper notices were for - to get input - this will stimulate council on the decisions that have to be made.

Council then reviewed the financial data as prepared by the Ministry of Municipal Affairs, pertaining to the financing of 1986 water and sewer projects. The report revealed the need for approximately \$110,000 to allow for ongoing municipal expenses and the water tower and water and sewer projects. The information showed that the required funds can be matched through reserve fund transfers and reduced expenditure allocations to December 31, 1986.

Motion: Watson-Harrop - That the Clerk-Treasurer and the Reeve investigate and present to council a proposal for the institution of "internal accounting controls". Carried.

Deputy Reeve Watson said that this motion is for the Clerk and Reeve to contact the auditors for a proposal to identify what internal controls we should have in place that we don't have now.

Motion: Hall-Matchett - That the municipal office be closed November 11, 1986, and staff paid accordingly. Carried.

## Kiddy Performing Arts Council presents new season's productions

Kathy Steele of Gunn-Johnston Ltd., Campbellford, poses with Mrs. Dora Clark and the winning ticket with her name on it which was sold at Gunn-Johnston Ltd. Mrs. Clark, 81, won a trip to Mexico for two.

### Winner of Mexico trip

Campbellford - The Campbellford construction draw for a trip to Mexico is now over and 81 year old widow Dora Clark of Warkworth was the lucky shopper whose name was drawn for the trip to two Mexico.

The draw, sponsored by Cembal Publications and sixteen downtown businesses, proved very successful as indicated by the packed barrel during the draw.

Thorton Waters of ReMax Reality Ltd. made the draw shortly after 5 pm on Saturday. Mrs. Clark purchased her ticket at Gunn-Johnston Ltd.

Immediately after the draw, Mr. Joseph Cembal of Cembal Publications (1981) Ltd. contacted Mrs. Clark and told her of her win. At first, Mrs. Clark couldn't believe she had won. "Who's this calling?" she asked before she finally realized she had actually won the trip.

Mrs. Clark was unsure whether she would be able to take the trip or not.

### Christmas contest coming

Again this year, Cembal Publications will be sponsoring a Christmas story and drawing contest in the areas served by our papers. The contest is open to all school-age children.

The rules for the contest are really easy, but they are important, so please read them carefully and follow them to the letter.

- 1) Contest open to all school-age children.
  - 2) Work must be on a Christmas theme.
  - 3) Drawings should be in black or very dark colors on white paper for maximum contrast.
  - 4) Work will be judged on artistic merit and creativity.
  - 5) Prizes: \$7.50 for first, \$5.00 for second and \$2.50 for third.
- Two categories: 1) Poem or story 2) Drawing. Three divisions: Senior - Grades 6-8, Junior Grades 3-5, Primary Kindergarten to grade 2. Twelve prizes in all.
- 6) Drawings should be on paper no larger than 8 by 11 inches.
  - 7) Drop your entries off at your local Cembal Publication newspaper office or mail them in to Cembal Publications, Box 259, Christmas, Marmora, Ont. K0K 2M0.
- Enter soon, the contest ends December 10th, 1986. Watch next week's paper for further details.

Campbellford - Kiddy Performing Arts Council (Kiddy PACC) has their new season for 1987 lined up and will be starting ticket sales for the new season on November 12th.

This year's lineup of performances promise a wide variety of entertainment for the children of Campbellford and area.

**Lampoon Puppettheatre  
presents The Little Blue  
Hedgehog Feb. 8th**

On Sunday afternoon November 8th at 2 pm in the Campbellford District High School (the time and place for all three performances) the children will see Lampoon Puppettheatre's presentation of The Little Blue Hedgehog. This story is billed as one of Lampoon Puppettheatre's most popular presentations. Beautifully staged, the story of what happens to a hedgehog on his journey to find a friend, is a show that the entire family will enjoy.

**Carousel Players present  
Aesop's and Other Fables on  
March 15th**

For all those 1986 Kiddy PACC ticket holders who enjoyed the Tails of the Four Seasons, Carousel Players return with another set of stories. Good action, songs, fun and a plot to delight young and old will be used to present The Milkmaid and Her Pail, The Wolf in Sheep's Clothing, The Hare and the Hedgehog and The Lion and the Mouse. You won't want to miss it.

**Music by Eric Nagler**

Children and their families will discover the fun of making music together in an hour of comic songs, folk songs, and old-timey tunes.

Everyone will join in - singing, clapping and even playing some of Eric's weird and wonderful instruments.

You have enjoyed him on Mr. Dress-Up, Sesame Street and The Elephant Show, now you can meet him in person in Campbellford.

**Tickets**

Tickets cost \$8.00 for a single ticket or \$25 for a family ticket. Information on tickets can be obtained by calling ticket sales

co-ordinators Carolyn Donald at 653-4859, Wendy Dore at 653-3642, or Donna Wilson at 653-1876. Tickets are also on sale at Link House Day Care Centre in Campbellford, Boutique Shoppe, and in Warkworth.

Carolyn Donald is also the President of Kiddy PACC, so if you would like to become a part of the Performing Arts Council, you can contact her and she will give you the necessary information.

Financial assistance for this series is provided by the Province of Ontario through the Ontario Arts Council, by Giant Tiger Ltd., and by Rosie's Children's Clothes in Campbellford.

### Coloring contest

A Kiddy PACC clouring draw will also be held this year in Campbellford. Children will receive the page to be colored through their schools, where they are to be returned when they have finished coloring. The entries will then be judged and the winner(s) will receive a free Kiddy PACC single ticket (value \$8.00).

## The Order of the Eastern Star - what it's all about

The Order of the Eastern Star is the largest fraternal organization in the world to which Women and Men belong. It is the largest "family organization" in the related Masonic bodies. The Eastern Star is not part of the Masonic Fraternity, but it is related by the closest family ties. Membership requires: Masonic affiliation and a minimum age of 18 years. Affiliated Master Masons, their wives, daughters, legally adopted daughters, mothers, widows, sisters, half-sisters, grand-daughters, step-mothers and step-sisters who express a belief in a supreme being are eligible for membership. Any qualified person having resided in the jurisdiction of the chapter being petitioned for twelve months or more is welcome to request a petition. The petition must be signed by two Eastern Star members and a unanimous vote of the chapter being petitioned is required for a petitioner to be elected to membership.

There are four chief governing bodies of the Order in the world. Ontario Grand Chapter belongs to the largest division known as General Grand Chapter with headquarters in Washington, D.C. General Grand Chapter includes the Chapters in all states (except New York and New Jersey), eight provinces of Canada and scattered chapters in many other parts of the world includ-

ing Japan, The Philippines, Mexico, Puerto Rico, West Germany, Italy and Saudi Arabia. Ontario has about 34,000 members in 245 chapters. World wide there are over 10,750 chapters with a membership of approximately two million members, which

approximately 40 per cent are men.

The teachings of the order are based on the morality of brotherly love, relief and truth. These principles are expressed through ritualistic ceremonies portrayed through stories of

Cont'd to page 2A

### Happy 50th Birthday

**From staff and friends**

Cont'd from page 1A

several Biblical heroines. Business is never conducted without an open Bible on the altar nor the presence of the flag of the country where the

meeting is held. From these facts, some think of the order as setting itself up as a religion in competition with established religions. However, this is a misconception. Those

members who best understand most truly live by the teachings of the order, are better members of their respective churches and communities.

Because of relationship with

Masonic brothers, members of the Eastern Star assist them in some of their projects such as the Burns Division of the Children's Hospitals (sponsored by the Shriners). In addition there are many special projects such as the Grand Benevolent Fund which was established to aid and assist members and their families in times of need and distress. The Cancer Fund, the Heart Fund, Muscular Dystrophy, Cystic Fibrosis and the Mentally Retarded are other causes which have been aided and assisted by our Grand Chapter under the sponsorship of the presiding Worthy Grand Matron. This year our Worthy Grand Matron's project is directed to O.A.C.L.D. (Association for Children with Learning Disabilities). Contributions to various aspects of Cancer Research are the largest of the organization in Canada. Many of the members of the Order contribute of their time as volunteer drivers, nurses aides and other related duties in their various communities.

Possibly the best known Eastern Star project is one that is world wide and is known as "ESTARL". This word is coined from Eastern Star Awards for Religious Leadership. It is an on-going project conceived in 1952 at the General Grand Chapter Triennial Assembly. Since that time, Ontario Grand Chapter has been the leading Grand Chapter in the world in the amount of contributions. The amount is some Two Million Dollars. This money is to assist young men and young women studying for the ministry, the mission field, youth leadership, religious teachers and church music. Awards are based upon need, scholastic record and funds available. A student need not have masonic or Eastern Star affiliation to apply for an award. While these and other projects require much time and effort on the part of members, social aspects of the Eastern Star meetings are not neglected. Parties, receptions, dances, etc. broaden horizons and lead to friendships and fellowship.

The members of the Eastern Star invite inquiries and interest in membership. For information contact any Eastern Star member or Mrs. Marguerite Burgis 653-1072 or Mrs. Marion Pollock, Secretary, Prosperity Chapter No. 63, Havelock; phone 778-3734.

## THE ORDER OF ONTARIO

# Those who excel to the highest degree, deserve the highest recognition Ontario can give.

The Order of Ontario is the highest honour awarded by the Government of Ontario. It has been created to pay tribute to some very special people whose actions have substantially enhanced the well-being of Ontario.

Nominations for the Order of Ontario will be considered by an Advisory Council. The Honorary Chairman of this Council is The Honourable Lincoln M. Alexander, Lieutenant Governor of Ontario. The members of the Council are:

Chairman  
The Honourable William G.C. Howland,  
Chief Justice of Ontario

Honourable Hugh Edgihoffer,  
Speaker of the Legislative Assembly

Mr. Robert Carman, Secretary of the Cabinet  
and Clerk of the Executive Council

If you would like to nominate someone whom you feel exemplifies such achievements and excellence, and whose contributions have helped benefit society in Ontario and elsewhere, you may obtain nomination forms by writing or telephoning:

The Ontario Honours and Awards Secretariat  
Ministry of Intergovernmental Affairs,  
5th Floor, Mowat Block,  
900 Bay Street, Toronto  
M7A 1C1  
(416) 963-0559

Nominations must be received by December 31st, 1986.

Ontario

# Havelock Cancer Society Report

**By Pat Delane**  
The October meeting of the Havelock Branch of the Cancer Society met at the Seniors' Rooms on Tuesday, Oct. 28, 1986, at 10 a.m., with ten ladies present. The new president, Ginny Graham, opened with a welcome to all present. The minutes of the September meeting were read by the secretary, Eileen Southward, and approved.  
The treasurer, Madeline Jefferies, reported that the

Commemorative Fund was growing and donations were being received from the funeral home and mail.

Lynn Kloosterman, patient services, reported that in the past year, 20 patients made 60 trips to Peterborough, Toronto and Kingston, by five drivers. This service can be obtained by calling Lynn Kloosterman at 778-3854 or Bernice Menzies at 778-3026, or if they can't be reached, call any one of the Officers or Executive.

The ladies were to attend a Peterborough Unit dinner at the Crest Restaurant on Wednesday, Oct. 29, and an Eastern Central District meeting will take place on Monday, Nov. 17, also at the Crest.

Five ladies will go to the Cancer Clinic at St. Joseph's Hospital on Wednesday, Nov. 12, from 9 a.m. to 1 p.m. They will be serving coffee, tea and cookies to patients waiting for treatment.

It was decided to distribute the list of Officers and Executive with phone numbers to service clubs and ministers, so if they hear of a cancer patient who could use the services of the Cancer Society, they can call.

The meeting adjourned at 11 a.m. Our next meeting will take place on Tuesday, Nov. 25, at 10 a.m. Come and join us. We will be glad to have you and will answer any questions regarding the services of the Cancer Society.

## Campbellford Cancer Society Report

The executive of the Campbellford-Seymour Branch of the Canadian Cancer Society meets at the Community Care Office every month at 12 noon for about one hour.

Executive members are: President - Don Thomson, 653-3123; Secretary - Nancy Sparling, 653-3523; Transportation - Joan Ivey, 653-1573; Patient Services - Marie Grosen, 653-1112; Treasurer - Fran Douglas, 653-2998; Campaign - Ethel Higginson, 653-3265; Mastectomy Visitor - Diane Rutherford, 653-1948. In Memoriam donations may be made at Coxwell Photo and Gifts. These people will try to assist anyone with information or assistance.

The Cancer Society lung machine, showing healthy and diseased lungs, attracted a great deal of attention at the booth at the Campbellford Fair, which we shared with the Heart and Stroke Foundation.

Both groups provided literature, information and handouts to the visitors. We are grateful

to a local man who provided payment for the booth space.

We have available for sale, "Smart Cooking", a cookbook featuring healthy low fat, high fibre recipes. This book was written for the Cancer Society by Anne Lindsay.

### Northumberland

#### Arts and Crafts

#### Christmas Sale

Northumberland Arts and Crafts, Inc., Sixth Annual Christmas Sale will take place between 11 a.m. and 4 p.m. on Sunday, November 16th, at the Masonic Temple, Front Street South, Campbellford.

Admission is free and there will be a lunch counter where sandwiches, squares, tea and coffee will be served for the duration of the sale. There will be approximately 18 booths showcasing handicrafts of the Campbellford area, with emphasis on the coming Christmas season.

The organizers of the Northumberland Arts and Crafts show wish to take this opportunity to thank the many friends who have supported previous Christmas and Summer shows. The group takes pride in showing off the beautiful handwork created in and around the Campbellford area.

Proceeds from this forthcoming Christmas Sale will be used for donations to charitable organizations, local high school bursaries, Campbellford Memorial Hospital's Building Fund and the Town's Santa Claus parade.

We'll see you there!

Following is the Canadian Cancer Society financial report for the period October 1, 1985 to September 30, 1986, submitted by our branch treasurer.

**Receipts:** Residential Receipts - \$10,545.25, Card Parties - \$435, Daffodil Sales - \$403.39, Travelogue - \$62.73, Coin Boxes - \$99.76, In Memoriums designated Research - \$7,202.66, Eastern Star Project - \$453, Donations - \$260, Fair Project - \$227.75; for a total of \$19,889.65.

**Expenditures:** Medical Supplies for patients - \$1,632.26, Canada Post - \$204, Transportation for patients - \$3,106, Travelogue - \$11.73, Fair Expense - \$36, Bell Canada - \$60.38, Misc. - \$10.26; for a total of \$5,060.63.

We are grateful to the students and staff of the Campbellford High School and Kent Public School for again sponsoring Terry Fox Runs in their schools in September. This money is earmarked for research projects and is kept separate from other monies.

# St. John's Anglican Sunday School events

by Eleanor Bruce  
**THE HAYRIDE**

On Friday September 12th the Pupils of St. John The Baptist Anglican Sunday School, their teachers, friends and some parents met at the farm of Charles and MaryJo Wannamaker for the first Sunday School "Get To Gether" of the new school year.

A Hayride around the Wannamaker and surrounding farms was an exciting and for most a new experience which was enjoyed by everyone. Upon returning in the moonlight, after a sing-song on route, a lunch of hotdogs, squares and orange drink was served while getting warmed around a bonfire. The Sunday School enthusiasm was quite evident for the successful beginning of the first planned event of the Year.

## ALL SAINTS' DAY PARTY

On Nov. 1st, All Saints' Day. The Children of St. John The Baptist Anglican Sunday School enjoyed a party and family dinner, planned by the Sunday School Teachers, and Rector of St. John's.

The children began to get into the party mood when entering the Church Hall

decorated with white clouds, silver stars and angels, white mums and floating white balloons. Each child was given white paper and supplied with items for making and decorating his own Saint's costume. Prizes were awarded to: Heather Carter, for Shortest Saint. Rhonda Rice for Tallest Saint. Sarah Parks, Kevin Gillespie, Tricia Wannamaker for the best decorated costumes. Robbie Danford was chosen for having the most "Saintly Walk" in the Saints' Parade.

A talk about all Saints' Day and a lively sing-song led by Rector Jim Clark, using his guitar as accompaniment, was enjoyed by all.

Relay Races ended the activity before the parents arrived to join the children and teachers for a chicken and salad supper. About 50 Church Family members enjoyed the All Saints' Day party and time of fellowship together.

## Eldorado

## United Church

## Women

by Margaret Griffin

The November meeting of the Eldorado United Church Women was held on the fourth of November. There were eight in attendance.

Lois Blackburn, the President opened the meeting with a poem entitled, "God is never beyond our reach".

Edith Boyle read the treasurer's report. Eileen Wannamaker read the Scripture. Audrey Chambers gave an interesting reading.

Four from Eldorado attended the Presbytery meeting in Tweed which included delegates from all the United Churches in the area.

Florence Blakely gave a report on Mary Warren's description of the school for the deaf in Belleville.

Grace Morton of Bethel United Church near Stirling recited "The Light in My Neighbour's Window" and "My Way is Paid".

A delicious lunch was served by Audrey Chambers and Eileen Wannamaker.

## Campbellford Cancer Society Report

Cont'd from page 3A

Last week, some of our executive members attended the annual meeting of the Peterborough Unit. Guest speaker was Mrs. Cathy Smith, a surgical nurse, who is Ontario Division's Cansurmount Convener.

Cansurmount is a one-to-one visitation service. Specially-trained volunteers, who have had cancer, offer support, understanding and hope to cancer patients. They must have an ability to listen to the patients, while sharing experiences. The volunteers offer no medical advice but always refer the patients to their doctors. The volunteers try to help the patients feel they have some control over their own lives. The carefully-screened volunteers need to be in touch with their own feelings and need to know their own limitations.

Mrs. Smith also referred to other Canadian Cancer Society emotional support systems. Cancer involves more emotional response for the whole family than other diseases; emotions of rejection, disruption, loneliness, isolation, acceptance and self image.

Reach to Recovery provides volunteers who have had a mastectomy to visit mastectomy patients to offer information on exercise, clothing and prosthesis. Some centres even have husbands visit the couple involved.

Living With Cancer is a group programme for patients and families where everyone shares their feelings, problems and experiences with direction from a leader. These group sessions help these people deal with their concerns.

Lodges in several cities provide accommodation to out-of-town patients, who must have treatment, but not be hospitalized. Patients who must go far from home to a strange place are often frightened and lonely. Our lodges provide a home away from home for patients where they are encouraged to look after their own needs. Meals, outings, entertainment and chatting are provided by volunteers. Volunteers also staff check-up clinics where they visit with patients as they wait their turns.

Volunteer drivers provide emotional support also. They

provide a listening ear, if necessary, but they relieve the burden of driving from the families. Many times the patient has no one to drive them to their appointments or, perhaps, a husband would have to take time off work or a mother may have to leave the family. Our drivers take care of this problem.

A pediatric programme is being formulated to help parents deal with cancer in their children. Unfortunately, most of these programmes are usually available only in large cities as it is difficult to find the right people to volunteer their services.

### AULD LANG SYNE

Let's sing together for Auld lang syne  
And remember them all both yours and mine.

They gave their lives so that we may live.  
Theirs is no more to live or give.  
Yet on they'll live within our hearts,  
And in our prayers we thank them, they'll never depart  
From our memories, nor our mind,  
No finer glory will their souls find  
Than that which they fought and died for  
From sea to sea, and shore to shore.  
Yes, we'll remember them, both yours and mine,  
As together we sing, for Auld Lang Syne.  
Jean Beaters  
Trent River.

### Kouris Atoms

The first game of the season was an exhibition against St. James Tier (Peterborough). The Atoms rolled to an easy win by a score of six goals to two.

Scorers were: Pascal Hill, three goals, one assist; Calvin Larmer, two goals; and Lee Reynolds, one goal, one assist. Other assists were from: Blair Emery, three; Eric Wilson and Jason Fitzpatrick.

Peterborough's goals were scored by: Marty Stewart and

Jeff Hope.

In Hastings and District play, the Atoms beat Warsaw, five goals to zero.

Jamie Gratton had the shutout.

Goals were scored by: Lee Reynolds, two goals; Blair Emery, Cory Holland and Pascal Hill, one goal each.

Assists went to: Adam Levesque, two; Pascal Hill, Blair Emery and Danny Roffey.

## More Than A Legend!

Few Canadian groups could match the incredible track record of this legendary showband. Stars of CTV's long-running **Pig N' Whistle** TV show... **Juno Award** winners... 18 year **RCA Recording Artists**, (with platinum & gold albums to their credit), and their own "CSB" recording label as well... The Carltons have set new standards with their very special blend of **Music and Merriment!**

Yes, these are the magic ingredients that separate our mirth-makers from other groups. Even though twice nominated for **Best Country** awards, they've always been more than a great down-home country music group. That **Irrepressible Irish Humour** is never far away, regardless of their selection - from 'tear jerker' to rock n' roll, country ballad to lively polka or jig. And it's that special 'extra' that makes The Carltons a sure-fire crowd pleaser everywhere that **Good Times** are enjoyed!

Good friends all, the members of The Carltons are very capable and polished performers. Audiences from Vancouver to St. John's have discovered the variety of content, the range of emotions, and the sheer pleasure of a showband concert. An evening with The Carltons is a unique experience... once enjoyed, never forgotten!

## You, Your Home and Energy

### Is your house losing energy dollars?

Every year thousands of Canadian homes lose energy dollars through air leakage, poor insulation and inefficient heating systems.

That's why most homes should have a thorough energy checkup.

Here are some hints on how to investigate these major energy components and improve the energy efficiency of your house.

#### Air leakage control

Air leakage control is one of the most cost-effective energy conservation measures available; homeowners often recover their costs quickly through lower energy bills. So begin your energy check-up by searching for air leaks.

The colder and windier the day, the better. Cold air drafts may be coming in at major problem areas, such as around doors and windows, and less severe leaks can be easily located by pulling a tissue or smoke pencil along walls and ceiling and noting where the tissue or smoke flutters.

One or more of three different methods may be required to seal the leaks.

- **Caulking** should be used to seal fixed joints — those that are not intended to move in relation to each other.
- **Weatherstripping** is used for joints that move in relation to

each other, such as the moving parts of windows and doors.

- **Air-vapour barriers** prevent air and vapour from passing from the living space into the building structure and insulation. They are usually installed on the warm side of the insulation and should be completely sealed. One material commonly used for air-vapour barriers is 0.15 mm polyethylene sheets.

#### Insulation

Next, give some thought to insulation. Take note of what areas in your house are insulated, what kind of insulation is installed and to what depth. If the insulation was done by a contractor most of this information should be written down, either in the contract or in the contractor's records. Failing this, you'll have to do some scouting to get the facts.

You should ensure that all insulation is in good shape (not wet or compacted) and that an effective air-vapour barrier is in place. You should also determine if your insulation is up to current standards. Specific recommended thermal resistance values vary according to a region's climate, but the general ranges are as follows:

	RSI	R
walls	2.8 to 4.5	16 to 26
basement walls	2.2	13

roofs and ceilings — 4.4 to 7.1 25 to 40 floors (over unheated spaces) — 4.7 28

In certain components of the house (for example, a partly filled wall cavity) attaining these recommended levels may be too expensive. Remember that there is a diminishing return for each additional unit of thermal resistance added, so it makes sense to concentrate initial efforts where little insulation exists. Also, insulation works best if the area is airtight; caulk, weatherstrip and add an air-vapour barrier before installing insulation.

#### The heating system

Now turn your attention to the heating system. Is the system in good shape? Has it recently received major servicing or upgrading? Does it deliver heat to all parts of the house evenly?

If you answered no to these

Cont'd to page 9A

## WARM UP TO A COOL IDEA.

### THE REMARKABLE HEAT COOL PUMP

Air conditioning that saves you money.

You probably haven't thought of a York Heat Pump for central air conditioning — most people don't — but before you make a decision to buy a new furnace this Fall and central air conditioning next Spring, consider:

- a York Heat Pump is a central air conditioner and dehumidifier as well as a super efficient heating system
  - a York Heat Pump increases the value of your home
  - best of all, a York Heat Pump lowers your heating bill when added to a standard-efficiency gas or oil furnace
- Think about it!

SAVE FROM \$150. to \$700 with **YORK.** Heating and Air Conditioning SUPER AUTUMN CASH REBATES

**\$100 Plus BONUS**

If you add a York Heat Pump to your oil or gas furnace, you may qualify for \$100. or more.

**EnerMark LOAN PLAN**

SERVICE MANAGER

We use only genuine Ford, Motorcraft, or Ford Remanufactured parts.

"These parts and thousands of others are backed by my free Lifetime Service Guarantee. I'll give you a repair guarantee that lasts a lifetime — and it's free. Here's how it works. When we fix your Ford-built car, or light truck, you pay only once. I'll guarantee that if the covered part ever has to be fixed again, we will fix it free. Free parts. Free labour. My Lifetime Service Guarantee lasts as long as you own your vehicle, no matter where you bought it or how old it is. So come in today and find out more about my Lifetime Service Guarantee. I back my repairs for life."

This limited warranty covers vehicles in normal use, and excludes major maintenance items, belts, hoses, clutch, and oil.

# Finally... a Cure for the Common Cold.

Energy efficiency is a guaranteed cure for those chills you get with your electricity or gas bill, for those shivers you feel when you hear about the cost of heating oil, and for those coughing fits you seem to develop every time you see how much you pay for hot water.

Energy efficiency, in fact, cures almost every cold-related ill you and your house suffer from.

Next time you are building or renovating a home, remember, even with lower energy prices, energy efficiency is an excellent investment. Energy efficiency will improve the comfort of your home, as well as be financially rewarding. So don't suffer needlessly from the effects of the common cold. Proper home energy management and good energy habits will cure it every time!

## It's called energy efficiency.

## You, Your Home and Energy

### Closing the door against heat loss

You may think of doors only as something through which family, friends and the occasional door-to-door salesperson come and go. The truth is that a leaky, inefficient door also lets cold winter air into your home, while allowing heated air to escape.

To reduce this energy loss, you can make the existing door more efficient, or replace it with an energy-efficient model.

Doors lose heat through conduction and air leakage. Conduction allows heat to pass through the material of the door. A material's ability to resist conductive heat loss is known as thermal resistance and is measured in RSI (metric) or R (imperial) units.

Single-glazed patio doors with metal frames offer the lowest thermal resistance, usually in the range of RSI 0.16 (R 0.89). At the other end of the scale are steel doors insulated with polyurethane at RSI 2.56 (R 14). Solid wood doors typically have thermal resistance values of RSI 0.40 (R 2.25).

Storm doors are available in a wide variety of materials, sizes and styles and can provide added protection against heat loss. Wooden and insulated units typically have the highest thermal resistance.

Homeowners can purchase convertible storm doors equipped with a glass insert for winter use and a screen insert for milder weather, or units that contain both an adjustable glass pane and a screen for year-round use.

If you decide to replace a door, consider an insulated unit. These doors are filled with a light plastic, high-density insulation that

provides a much higher thermal resistance than solid wood. For energy efficiency, purchase doors with minimal glass (make sure it's double glazed), unless the door is to be situated in a south-facing wall, where it can provide passive solar heat gain.

Double-glazed patio doors offer significantly higher thermal resistance than single-glazed units. Similarly, wooden-framed doors are preferable to metal-framed units (if you buy the latter, make sure it incorporates a thermal break to reduce heat loss).

Doors also lose heat through cracks or crevices in or around the door. This air leakage can be reduced with effective weatherstripping and caulking.

Weatherstripping should be used to stop air leaks at any moving joint in the door. To check the condition of existing weatherstripping, close the door on a piece of paper where the weatherstripping is located and then try to remove the paper. If there is no resistance, the weatherstripping is not providing an effective seal.

When you are installing new weatherstripping, ensure that it makes good contact with the door.

A face-type weatherstripping, which makes contact with the face of the door, is best for doors with minimal warpage, while edge-type

weatherstripping, which makes contact with the edge of the door, is most appropriate for severely

#### Cont'd from page 7A

questions — or if you aren't sure what the answers are — it may be worthwhile to call in a heating contractor. This person can serve several functions, from cleaning the heating system and giving it a tune-up to recommending upgrading or replacement. In any case, have the heating system serviced annually to ensure that it runs as safely and efficiently as possible.

Basic do-it-yourself maintenance will also contribute to the efficiency of the heating system. For example, keep the system clean. For electric baseboard systems, this means removing the front plate and carefully vacuuming the heating fins. For a forced-air system, cleaning or replacing the air filter about once a month during the heating season will help.

Turn the heat down when no one will be home. An automatic setback thermostat can help ensure that adjustments are made automatically. Also, close off any unused rooms and reduce the temperature to about 10°C by closing registers or turning off unitary heaters.

Finally, sealing the heating system's ductwork with tape will help more of the heated air reach its destination. Where the ductwork passes through cool or unheated areas, it should be insulated with an appropriate insulating material.

warped doors. Because doors are subject to constant use and extremes of temperature and humidity, it is also important to use weatherstripping materials that are both durable and resilient.

Install weatherstripping on both sides of the door and at the top and bottom. Don't neglect the hinged side: it can be a major source of air leakage.

Ideally, weatherstripping should provide an airtight seal when the door is shut but should not interfere with opening and closing. Make sure the weatherstripping is of an appropriate size to ensure a tight seal. In some cases, the door may have to be adjusted or trimmed to fit snugly. A durable weatherstripping should be used on thresholds because of the constant traffic over these areas.

Finally, check weatherstripping periodically after installation

to ensure that door warpage or wear and tear have not made the seal ineffective.

Caulking should be applied to all nonmoving joints in the door unit. Generally, these are the joints between the frame and the wall and around any windows in the door. There are many suitable sealants for this purpose.

You can test the effectiveness of existing caulking on a windy day by drawing a tissue or smoke pencil around the outside of the door and around any window panes within the unit. A flutter of the tissue or smoke indicates an air leak.

A door should be replaced only if it is so poorly fitted, warped or damaged that effective weatherstripping and caulking are impossible.

Many prehung doors come with factory-installed weatherstripping, but these units are generally more difficult to install than a simple replacement door.

## CARD OF THANKS

I WOULD like to thank Dr. Briggs and the nurses who were kind to me while I was a patient in Bellevue Hospital, and also the staff of the Stirling Towers Rest Home. I want to thank family and friends for visits, cards, flowers and other gifts. Again, thanks to all. Martha Gaud.

WE wish to express our sincere thanks to friends and relatives for the many acts of kindness and sympathy shown to us in the passing of a dear husband, father, and grandfather, John Muir. Special thanks to Rev. Annette Reinhardt, Rev. Gordon Adams, Madoc Senior Citizens, the McCollins Funeral Home, those who sent flowers and donations and to Unit 11 Trinity U.C.W. for the luncheon. Glad Muir and family.

WE would like to thank the merchants of Madoc for the lovely Bible we received. Peter and Michelle Kelly.

## More Cut-backs for Court

The Village of Madoc has finally received, in writing, an outline of the reasons for cutbacks in court time in Madoc.

A five-page letter to Reeve Deline, from Matt Veskimets, Director of Provincial Court Services, outlines a number of deficiencies in the Madoc court facility as determined by the ministry's need assessment inspection.

The letter states: "The complaints with respect to facilities were voiced to the Ministry of Government Services leasing agent, Mr. P. MacDonald, who canvassed all other possible sites but confirmed on September 11, 1986, that nothing else was

available. He also informed Mr. John Smith of Kiwanis of the basic improvements needed to keep the Court there for the next year. He also indicated that the province would not fund improvements to per diem leases but an inflationary increase would be added to the present rate. On October 20, 1986, I received a copy of Mr. MacDonald's letter in which he confirms that 'Kiwanis will not provide, at their cost, the improvements requested by Judge Cassells.'

"Faced by rising costs in excess of \$1000 per day for Provincial Criminal Court to be held in Madoc in clearly less than acceptable facilities for

approximately 1.3 hours per sitting day, we have to concur with Judge Cassells that the situation cannot be continued in the face of his strong and justifiable objectives.

"Therefore, we are prepared to lease the Madoc facilities only for Provincial Offences Court, 26 days per year, for every second Friday, excluding holidays as per the attached schedule. The six days for Small Claims Court is also to be continued. In light of the perceived lack of proper consultation, we are prepared to compromise with these 32 days, and continue to monitor the needs over the next year.

"As the official responsible

for justifying the expenditures of these funds, even this decision will be subject to critical review. However, under the circumstances it allows for a transition period for the community."

The second letter, from Provincial Court Chief, Judge P.C. Hayes, is briefer and very much to the point. He says, in part:

"The premises presently available in Madoc are not in their present state satisfactory for the sittings of the Provincial Court (Criminal Division).

"I understand that a search has been conducted for alternative facilities in the

community but none are presently available.

"Therefore, the question of satisfactory facilities has not been resolved and in order to continue to deal with the matters coming before the Court, without delay, it will be necessary that the proceedings be returnable before the sittings of the Provincial Court (Criminal Division) in Belleville.

"The sittings of the Provincial Offences Court, which deals with such matters as Traffic and By-Law offences will continue in Madoc, subject to satisfactory arrangements being made for accommodation upon the expiry of the existing lease arrangements."

## November 11th.

On a typical November day, cold and wet; hundreds of children from Madoc Public School surrounded the Cenotaph to take part in this year's Remembrance Day ceremonies.

As they waited, along with a crowd of citizens, the legion members marched from the Legion branch, accompanied by a lone piper, Teddy Coe.

With colours flying at the head of the column, many of these men and women of Branch 363, carried their memories on their faces. Sadness and sorrow were there as well as an air of pride in their contribution to community and country.

Padre John Hall opened the ceremonies with greetings and the Invocation followed by "O

Canada" led by Ann Spry. Bruce Allen sounded the Last Post and after two minutes of silence Piper Teddy Coe played a lament. After Reveille, Padre Gordon Adams addressed the Call to Remembrance and after a recitation of the Act of Remembrance by the assembly the laying of wreaths took place.

About 350 children from the Madoc Public School joined together in singing "Let there be peace" as the cold drizzle continued to fall.

In all, it was an impressive turnout for the event, and with the participation of so many youngsters, we shall, for many years to come, say on Remembrance Days "We will remember them."

## Centurions Lose by a T.D.

The Centurions and their supporters were all fired up to win the COSSA Title against Adam Scott High School in Peterborough. But it was not to be.

Despite a determined effort, the Centurions were unable to move the ball across the goal line for a touchdown. The score was 12-6 for Adam Scott Lions, with all the points coming in the first half. The 6 points for the Centurions resulting from two field goals.

The Centurion defence did a sterling job in holding the score down. A couple of penalties put Adam Scott into positions close to the Centurion goal line but they were unable to score.

Coach Barry Pyear commented after the game that they were disappointed with the loss. "We had worked hard and prepared for this

game and we felt we had a good chance of winning it. It was a hard hitting, defensive game, but we didn't get the breaks we were looking for."

Although disappointed, Coach Pyear couldn't fault his team. The Adam Scott defensive unit used their weight and strength to shut down the Centurions offence.

One thing that was evident in this game was the discipline displayed by the Centurion players and their supporters. The players were not suckered into costly penalties and the supporters showed remarkable restraint when rival supporters grabbed a Centurion banner from three CHSS young ladies and set it ablaze in mid field.

The Community can be proud of these young representatives of Centre Hastings.

### Letters to Santa

It's getting close to Christmas and time for the letters to Santa to be sent. Just a reminder to all parents and little folks to be sure to put on the sender's complete name and mailing address with your Box number or R.R. Number.

It also helps the mail person to know where to deliver the reply's back to if the child's

name is put on in care of the Parent's name.

Send all letters to Santa as soon as possible so the mail can get to him in time for him to write back.

The address is, SANTA, North Pole, Canada, H0H 0H0

Thanks, Postmaster, Madoc, Ont. K0K 2K0

### Tourism Complaints

At a recent meeting of the Directors of the Land O Lakes Tourist Association it was noted that answers to letters of complaint directed to members of parliament with regard to the exclusion of the Land O Lakes Tourist Region in Ministry of Tourism & Recreation Publications is the same no matter which party is in power. Directors felt that most members of parliament must continually wear blinders when travelling through our area as the deep freeze has been felt for many, many

years. No amount of lobbying seems to do any good... what do we have to do to get attention?? Okay - so we don't have huge tourist attractions but we do have unspoiled beauty, clean lakes, good fishing and friendly people, both in and out of business... ready and willing to greet the traveller hospitably.

Come on Queen's Park - take off the blinders and observe and promote a great region that is right under your noses. Yours in Tourism  
Fay L. Henry, sec. treas.

### Music at Library

Saturday, November 22nd, 10:30 a.m. there will be another exciting program at the library. Ian Bell will present a musical concert which will bring alive our musical heritage in songs and music. Ian plays the accordion, guitar, harmonica, bones, jaw harp, and life.

Ian has travelled from Cape Breton to Yellowknife playing traditional music of Canada. He has been on CBC's "Morningside" and "Simply Folk" and has just released an album of the music of early Ontario "Scatter the Ashes". There will be no charge. Come and bring a friend.

BYFORD - MASTERS

Grace United Church, Gananoque was the setting for the October 4th wedding of Valerie Jean (Asselstine) Masters, R.R. 1, Gananoque, daughter

of Stan and Jean Asselstine of Madoc to David Michael Byford, son of Art and Ann Byford, of Gananoque.

## New Veterinary Office

Dr. Ernest Mackey.

The Madoc Veterinary office opened some three or four weeks ago and Dr. Ernest Mackey says they have been delighted with the results so far. "The people in this community are very friendly," says Mackey and seem pleased that we are here!

The premises have been

inspected and approved for use as an office by the Ontario Veterinary Association. The "Office" designation means that the doctors cannot perform surgery except in emergencies. "This does not present a problem," says Mackey. "We provide free transportation for animals

scheduled for surgery to our Campbellford hospital. Pets brought in on Tuesday are operated on the following day and brought back to Madoc on Thursday."

This satellite operation in Madoc is backed up by the extensive hospital facilities and services of Dr. Mackey and his associates, Drs. Dolman and Ferguson in Campbellford. Here they have a fully equipped hospital for large and small animals, a fulltime lab technician, a modern laboratory and operating facilities. A 24 hour answering service provides round the clock availability.

A new associate veterinarian is currently being sought, and as the demand for service increases here in Madoc, the hours will be extended.

"In our planning" says Mackey, "We anticipate that in the for see-able future, our Madoc operation will become full time with a doctor on staff. We hope to be in a position to provide a full service to the community for both small and large animals."

## Local Skater Competes

Theresa Bailey.

Eleven year old Theresa Bailey will be skating in Kingston this Thursday in the Eastern Ontario Sectionals competition.

Theresa, a member of the Madoc and District Figure Skating Club, is the first ever skater from the club to enter into this competition which is the first step towards competing in Divisional and Provincial titles.

She has been skating since she was two and a half years old and apart from an inter-club meet in Belleville last year, this will be her first serious competition.

The daughter of Harold and Karen Bailey, Theresa says she enjoys skating but prefers free skating over compulsory figures. Asked if she was excited about the meet, she shrugged her shoulders and said "I guess so." She did say that she was looking forward to making the trip.

This reporter wouldn't know an axel jump if came up and bit him, but watching Theresa run through a free skating routine left the impression that this young lady has a lot of talent and poise.

Good luck in Kingston Theresa

## Madoc Legion

Jim Pollock presents a plaque to Madoc Legion in recognition of their Jubilee Anniversary. l - r Padre John Hall, MPP Jim Pollock, Legion President Cec. McBride, and the Rev. Gordon Adams.

## Remembrance at Madoc T.S.

The staff and students at Madoc Township public School commemorated Remembrance Day, by gathering at the Cairn at 11:00 am on November 11th, 1986. This cairn was constructed with rocks brought in by the students last year. The dedication of the cairn is thusly:

Dedicated to those who served World War 1, World War 2, Korean War And to those who follow them in their

task of building A Future of Peace.

The ceremony had the following components: Singing by the Grade 4's under the direction of Mr. Murphy, repeating of "Flanders Fields" by Carol Ann Whiteman, Grade 6. Distribution of poppies by Grade 4's, one minute silence observed by all, and the song "Let there be Peace on Earth" Grade 2's. And the raising of our 3 flags.

Canada, Ontario and the Madoc Township anniversary flag.

Previous to the outdoor ceremony the Principal, Mr. Gough visited each classroom to discuss with the children some ideas relating to Remembrance Day. In this fashion the awareness of the students would be raised as to their perception of what Remembrance was, all about.

Young Ladies from the Madoc and District Figure Skating Club. Front row l - r Rachael Merau, Jennifer Althoff, Mandy Newland, Amy Hagerman, Katie Johnston. Back row l - r LeighAnne Ryan, Jennifer Johnston, Maureen Goulah, Theresa Bailey, Vicki Wiggins and Laura McNeil.

## Playground Contributors

We recently reported on the expansion of the local playground equipment saying that it had been made possible by donations from interested community minded people.

A list of donors is now on hand, and it is with pleasure that we recognize these people for their contribution. In alphabetical order - Hastings Concrete, Hunter Ford, Bert Jones Ltd. Leather Emporium, Madoc Kiwanis, Madoc

Legion, Madoc Women's Institute, Madoc Senior Citizens Club, Wayne Williamson, and Sandy Wilkins.

Village Clerk Doug Parks made the comment that there had been no general appeal made for support for this project. "Over \$2700 in money and materials was received," said Doug, "and this shows once again, that Madoc is the best place to live in all of Canada."

## Lost and Found

The community of Gunter breathed a collective sigh of relief on Thursday when it was announced that Dwayne Birkitt had been found alive and in comparatively good shape.

Eleven year old Dwayne had spent the night in the bush after getting lost while investigating a gunshot. Soaking wet after falling into a swamp and realizing that he was lost, he remembered his father's advice on survival in the bush -

"If you are lost, stay put."

Dwayne did just that, and search dog Thunder with his handler Const. Russell found Dwayne at about 11 am on Thursday.

Suffering from the cold, and it was reported, with some of his clothing frozen solid from the previous night's dunking, Dwayne was flown to the Bancroft Hospital where he made a speedy recovery and was released.

## Recreation Committee

Elzevir and Grimsthorpe Recreation Committee have planned events for the Christmas Season including a craft sale and bazaar for this coming Saturday, the 22nd.

There is no admission charge to this event which runs from 10-4 at the Actinolite Hall. Secretery Hazel Stephens says that the Recreation Committee is alive and well and hopes to see a good turnout for this sale. She says that

there will be about fifteen tables of merchandise including a bake table and a white elephant table.

# Cembal Publication's Christmas Story and Drawing Contest Open To All Grade School Children

For our special Christmas Greetings Issue, we're looking for drawings and stories on a Christmas theme by the children of the area, and we're offering prizes for the top entries.

At your local Cembal Publication office  
or

At the appointed place in your school  
or

Mail to:

Cembal Publications  
Box 250, Christmas  
Marmora, Ontario, K0K 2M0

- 8) All work becomes property of Cembal Publications and will not be returned.
- 9) All submissions should have name, age, grade and school of child.

## ENTER SOON!!

Contest Runs Only Until  
December 10th

## Rylstone WI learns about fire safety

Fire is only a word until you have one. Fire can cause great tragedy, both in loss of life and irreplaceable possessions. It also brings out the good in the neighborhood people helping

people.

Mr. Cliff Richardson, retired fireman, of RR4 Marmora, spoke to the November Rylstone W.I. meeting. He stated that there are more fires today, mainly because of the increase in electrical appliances.

In the country, Mr. Richardson suggested it is a good idea to keep an extra set of car keys outside, or in the car, because your neighbor is often not within a short walking distance. You should not go back inside your home to phone the fire department if your house is on fire.

If you are in a burning building, descend stairs backwards on all fours. Also, crawl along the floor, as the lower twelve to eighteen inches will be free of smoke.

The roll call, name a potential fire hazard in the home, was answered by such ideas as

unsafe wood stoves and frayed cords.

The meeting began with a pot-luck luncheon with WI members from Carlow and Mr. Richardson as guests.

Secretary-treasurer, Mrs. Donna Phair, announced a very good profit was realized at the recent catering at Hoard's Sale. She thanked everyone for their help.

Mrs. Violet Dunk, convenor for Education and Cultural Activities, reported on the current project of Oxford North and South District WI, who are endeavouring to raise money to put a set of prints of Ross Butler's paintings of domestic livestock in all Ontario schools. Mr. Butler is being honored on his 80th birthday at the Royal Winter Fair.

Mrs. Jessie Kerr, Convenor for Agriculture and Canadian Industries, reported on deer farming. They are sold for

meat at \$5 per pound wholesale and rented for the Santa Claus Parade at \$1,000 a piece.

I reported on a new school in Stoney Creek. The Janet Lee Public School, to be built and named after Janet Lee, who penned the first constitution of the Women's Institute.

The next meeting will be a Christmas Pot Luck Supper for the whole family at the home of Mrs. Dorothy Thomson at 6:30 p.m. on Dec. 3. Roll call is to give the history of a Christmas Carol. Also, bring any old Christmas cards you might have for display.

## Safe Homes for Battered Women

Tonny Braden, President of the Safe Homes Committee, reports that they have now received funding for their work.

The committee, all volunteers, has accomplished a great deal in the past year or so in providing various forms of assistance and establishing "Safe Homes" which offer temporary shelter.

They are now in a position to hire a staff member who will co-ordinate the program in

Centre Hastings. They will have an office setup, rather than working from their individual homes, and from this centralized point, can become more effective.

A telephone crisis line will be established as well as free transportation and temporary shelter for women and children. They will provide information on such things as the legal rights of the battered woman, availability of medical assistance, availability of

social programs and refer the victim to the appropriate worker or agency.

All of this is done in the most confidential manner imaginable. Locations of the safe-homes are known only to authorized workers, and details of the incident is kept in the hands of those same people who are sworn to maintain confidentiality.

The Provincial Government is becoming increasingly aware of the problem of

battered wives and is making more funds available to shelter programs throughout the province. There seems to be an unanswered concern over the plight of battered women in rural areas because they are perhaps, isolated in areas away from Villages and Towns, and don't have access to organized agencies that could help in a crisis.

For information, or to help, call Tonny Braden at 473-2143.

## Gypsy Moth Spray Costs

Last week, Warden Glen Franks announced that after a meeting with Ministry of Natural Resources officials, the cost of spraying private land to control the Gypsy Moth infestation would be 50% of actual costs.

It had been previously announced by the Minister of MNR, Vince Kerrio that a proposal had been drawn up that would see private landow-

ners paying 95% of actual cost to get their lands included in the 1987 spray program.

Members of the nine County Gypsy Moth Committee had carried the message to the Minister, that if the proposed 95% charge became effective, a majority of private landowners would not participate, thus resulting in a significant impact on the effectiveness of next year's spray program.

## Book Fair

Madoc Township Public School will have a Book Fair on November 17, 18, 19, and 20th. The children will have an opportunity to see a listing of colourful and stimulating books so they can make selective choice prior to the sale. The books will range in price from \$2.00 to \$4.00. All proceeds will be used to purchase more books for our library. We encourage you to do some early Christmas Shopping at the Madoc Township School.

## 'I need Support' says Reeve

Reeve Tom Deline is still upset over the fact that there has been no face-to-face meeting with the decision makers in the matter of the disposition of Madoc Court.

"We have asked for a meeting," says Deline, "but we have been ignored. Nobody has told us specifically what changes are needed," he said.

Commenting on the letter to council from the Ministry of

the Attorney General, signed by M. Veskimets, Deline said, "If we go by that letter it could cost us thousands of dollars, perhaps \$50 to \$80 thousand."

The Reeve is on record as saying that it is unreasonable for a tenant to expect improvements without paying for them.

Indicating that he will take time to study the documents which includes a transcript of

Judge Cassell's remarks in Madoc Court, Deline said, "(If we are to save this court), 'I need help. I can't do it alone. I need support.'"

## Pollock on Court

On Thursday, Nov. 13, 1986, Jim Pollock, MPP Hastings-Peterborough, questioned the Honourable Ian Scott, Attorney General regarding the lack of response to a request for a meeting regarding the Madoc Court.

Pollock wrote the Minister on September 26, 1986, advising he had received several resolutions objecting to curtailing the service and asking for a meeting.

In addition, calls were made by Pollock's staff to the Attorney General's staff on October 8, 14, 20 and 22. At no time did Scott's Executive Assistant or Appointments Secretary return any of these calls. When questioned Scott admitted that he was unaware of receiving a letter.

Pollock has not received a copy of the investigation report that Scott had promised in August, following a prior letter from Pollock objecting to the closure or curtailment of the court facilities at Madoc.

The MPP vows to continue to fight for retention of all services at Madoc Court.

**ECHOES FROM THE PAST...**

in Hastings County and Vicinity  
by Ruth Tierney

The story of settlements born out of the  
wilderness and nurtured in the 1800s by  
the area's mines and lumber companies  
and the settlers' agricultural pursuits. The  
author provides a fascinating glimpse into  
the world of pioneer farmers, lumbermen  
and miners, gleaned from historical  
documents and interspersed with folklore  
and recollections of the settlers'  
descendants.

Illustrated, 156 pages, softcover

The extension to the Madoc Township municipal building is coming along slowly. The new block-work on the right is the front wall of the new community hall.

## L.R.T.C.A. Report

### THE PLOWING MATCH HAS COME AND GONE...

...but the memories will remain! The Conservation Authority display at the 1986 International Plowing Match drew a total of 16,890 visitors during the five-day event.

From September 16 to 20, staff and members from twelve Authorities in Eastern and Central Region spoke to visitors, young and old, about the objectives and program areas of Conservation Authorities in Ontario.

Displays and literature on wetlands, erosion control, reforestation, Conservation Areas, flooding, flood forecasting, and floodplain management, told the story on what Conservation Authorities are all about.

The display mascot - a rain-drop character called the 'Chief', made friends with the crowds and directed people to the display entrance.

The International Plowing Match draws a large number of people from an amazingly wide area. An event such as this is an effective tool for Authorities to get a message out to the public. The organizing committee is very pleased with the co-operative effort of many Authorities which helped to make this display a success.

### FDRP OPEN HOUSES

As part of the Canada/Ontario Flood Damage Reduction Program (FDRP), the LTRCA held three open houses, to give watershed residents the opportunity to discuss the proposed identification of flood risk areas under the program.

This identification means that the Federal and Provincial governments will not engage in, promote, or give financial assistance to any NEW development that is vulnerable to flood damage.

Draft copies of Public Information Flood Risk Maps available for visitors to review and discuss. These are designed to help the public understand why the mapping was done, where the flood risk areas are, and what measures

can be undertaken to overcome or reduce risks.

Although the turnout at the open houses was not as large as expected, the people who did attend were interested in the program and were concerned about how the program affected them.

The final copies of the Public Information Maps are presently being completed. They should be finished in about a month's time. The finished maps will be distributed to municipal offices throughout the watershed.

## High-gloss finish still needs care

During the last few years, there have been dramatic changes in the paint system technology used by the auto industry, which have redefined the way automobiles look and how they must be cared for.

One of the most important changes has been the introduction of a new two-coat finish process, which has been designed to give the car a longer-lasting, high-gloss look. The "color coat/clear coat system," as it is called, provides the traditional base coat of pigmented paint over which a special clear coat is applied.

This new paint system provides a deeper, more lustrous finish which can keep the car looking, for longer periods of time, as if it just rolled out of the showroom.

The beautiful look of the color coat/clear coat finish can leave car owners with the

impression that they need never wax their car again. However, as we all have been told, looks can be deceiving.

### When to wash and wax

With traditional one-coat paint finishes, car owners have always just waited till the finish looked dull as an indicator of when to wash and wax. Unfortunately, the new finish technology does not deliver such telltale signs.

The new color/clear coat finishes have been designed to remain shiny, even while dirt, road stains and weathering are working to damage it.

Effects from this wear and tear generally will not become recognizable until the outer clear coat layer has been broken down. By then, it is too late for basic maintenance work.

Sustaining the beauty of these special new finishes can

be a relatively simple task, which does not have to be a time-consuming proposition.

### Follow regular maintenance program

Although car care experts recommend a maintenance program that includes the seasonal use of a well-formulated car wax for both color coat/clear coat and conventional car finishes, regular washing is a real plus to help keep cars looking beautiful longer.

If car owners take steps to maintain their car's exterior on a regular basis, even though the traditional telltale signs may not be evident, their cars should look showroom-new far longer than ever before.

This can be a valuable consideration when they look toward a resale or trade-in years down the road.

## Motor oil and filters

Two of the most vital components of an automobile's performance - oil and oil filters - are often the most misunderstood. Many people don't take the time to find out exactly what motor oil and oil filters do, and put off checking their oil, which can ultimately play havoc with a car's performance.

Actually, your car's filtration system is easier to understand than many other systems in the engine. It simply coats moving parts with a slippery shield to prevent metal-to-metal contact from wearing out engine parts; and it cleans, cools and seals engine parts in the process. However, engine temperatures often reach 250 degrees, and the combustion process generates harmful by-products which are dumped into the motor oil crankcase.

Finding the proper oil and oil filter to stand up to these tough working conditions can be difficult.

### Advice from experts

A rule of thumb for replacing motor oil and oil filter is every three months or 3,000 miles, under "normal" driving conditions. If your car is a diesel, has a turbo-charged engine, or is older than three or four years, the interval may be

shorter. Severe driving conditions may also affect the duration of the oil and the oil filter.

The numbers on oil cans can be deciphered. Viscosity is an oil's varying thickness - or its ability to flow at different outside temperatures - and the numbers on oil cans relate to the oil's viscosity.

### Check owner's manual

Your owner's manual will recommend oil viscosities that will keep the oil from becoming too thick when the temperature is cold and too thin when it's hot.

Most car manufacturers recommend a multi-viscosity oil - one that changes in thickness to match a wide range of outside temperatures. SAE 10W-30 is one of the most common multiviscosity oils used. (SAE stands for the Society of Automotive Engineers).

It only makes sense that dirty oil trapped in an old filter will mix with the new oil and contaminate it. Therefore, you should change your oil filter every time you change your oil.

Today's engines are smaller and generally harder working. Dirt you can't even see can damage your engine.

## Good maintenance: the key to automotive care

The standard "tune-up" is now taking on a whole new meaning.

Remember when cars had to be primed to get them started in the morning? A little gas was squirted into priming cups, one per cylinder. Remember retarding the spark with a hand lever before starting?

If you can answer yes to the above, you probably remember too, the thousand-mile grease job and oil change. There was no such thing as an oil filter to replace, of course; just change the oil.

Keeping the engine "in tune" had to be a regular procedure if the engine was to start without excessive cranking. Remember cranking?

We've come a long way since that nostalgic era, says Car Care Council.

Nevertheless, many components will retain their essential roles in most automotive engines for a long time to come. The spark plug, for example, continues as the most frequently replaced part in a tune-up.

The distributor cap and rotor today are replaced as frequently as they were 10 years ago. The air filter, in fact, has increased in replacement frequency.

And nearly half the cars on our nation's highways still have conventional distributor points and condenser, thereby requiring more frequent tune-up service.

Advancements in technology, including electronic ignition, computerized engine controls and unleaded gasoline have resulted in longer maintenance intervals on some parts and systems.

People who do an unusual amount of stop-and-go driving, or whose trips average under 10 miles, may fall into the "severe service" category. This kind of driving, combined with extreme weather conditions and/or trailer towing, may call for more frequent servicing of the car. Check the owner's manual, suggests Car Care Council, pointing out that extended maintenance is not for everyone.

Service techniques are changing, too. The traditional

tune-up has evolved into a procedure described as an engine performance analysis.

What's the difference? Instead of routinely replacing things like the points, condenser and plugs, the technician must make a thorough diagnosis of what's causing hard starting, poor performance, reduced fuel economy or increased emissions. He can no longer replace some parts and make a few simple adjustments to get the engine running like new.

If you're experiencing engine problems, you may or may not need servicing of one of the sub-systems. The ignition system, the fuel system and the emission control systems must all work in close harmony with one another. That's where accurate diagnosis comes in.

What also will help is your ability to communicate with your mechanic so he can isolate a specific problem. Give him as many details as possible.

For instance, if the engine hesitates, when does it happen? When the engine is cold? When it's warmed up? When accelerating? Tell him if you hear any noises. And try to describe the noises. Is there a pop, bang, rattle, ping or whirr?

The more information you can provide, the more quickly and accurately the technician can isolate the problem, repair it and get you back on the road.

Don't just drop the car off and ask for a tune-up, then expect miracles. The tune-up may have been considered a panacea in the past but, today,

the service requires accurate diagnosis.

The tune-up isn't extinct, says Car Care Council. It has just evolved and become more

complex.

By telling the doctor where it hurts, you help him make an accurate diagnosis. The same goes for your mechanic.

### Healthy shocks offer protection

Your car's shock absorbers or struts do a lot more than cushion you from the bumps and jolts of the road; they also provide ride control protection.

When shocks and struts wear out, your car's steering can be impaired, allowing the car to drift dangerously into turns and sway around corners, and other suspension parts can be damaged by excessive bottoming or topping-out.

Yet, many car owners aren't aware that their shocks or struts are worn and in need of replacement, but use them wear out gradually over time.

In addition to the telltale signs of irregular or premature tire wear, poor handling, vehicle drift and sway and bottoming-out, there is a simple bounce test you can perform to see if your shocks or struts need to be replaced.

Position yourself directly over the wheel by the front fender or rear of the vehicle and press down as hard as you can. Release quickly and observe the vehicle body.

If the shocks or struts are functioning properly, the vehicle should bounce only once or twice before returning to a level position. If the vehicle oscillates more than this, it could mean your shocks or struts need replacing.

When replacing worn shocks or struts, the ride control experts recommend the new gas-charged products which offer an extra dimension of

control and ride stability.

Gas charging produces a shock or strut that is more responsive to the road, providing a mild booster spring effect that greatly reduces body sway and virtually eliminates bottoming-out on severe impact. Gas charged shocks and struts also provide quicker, more responsive handling, even under the most demanding driving conditions.

## Hastings and Prince Edward Regiment

**Belleville** - On Saturday, November 29th, 1986, the Belleville Armouries will play Cinderella, forsaking for a few gala hours its normal role as a Militia drill hall to play host to

The Hastings and Prince Edward Regiment's 1986 Regimental Ball. The event will be hosted by Colonel George E. Renison, DSO, the Honorary Colonel of The Regiment, and

Lieutenant-Colonel John F. Sherry, the Commanding officer. The Guest-of-Honour is The Honourable Lincoln Alexander, PC, QC, C. St. J. BA, Lieutenant-Governor of the Province of Ontario.

The event recalls the old Militia tradition of the Regimental Ball, a practice which has faded over the past 30 years. The Regiment revived the custom in 1984, staging a

Lieutenant-Governor's Ball to commemorate the province's bicentennial.

This year's Regimental Ball promises to be a gala affair. Dinner will be followed by dancing to the Canadian Forces' Vimy Band. In addition, debutantes will be presented to the Lieutenant-Governor and The Hastings and Prince Edward Regiment Pipe Band will quicken the

pulse with an interlude of highland music.

The 1986 Regimental Ball will be attended by members of The Regiment and CFB Trenton, civic officials from the Quinte and Kawartha areas, and local residents. The subscription is \$75.00 per couple. Inquiries should be directed to The Hastings and Prince Edward Regiment, The Adjutant, (613) 962-1910.

## CORRECTION

## Community Futures

Bill Vankoughnet, Member of Parliament for Hastings - Frontenac - Lennox and Addington, announced on October 27, 1986, that the North Hastings area has been selected as a community for assistance under Community Futures - one of six programs comprising the Canadian Jobs Strategy.

This announcement was made on behalf of Employment and Immigration Minister Benoit Bouchard.

"Despite high unemployment in the North Hastings area, there is strong evidence that it has the potential for economic recovery," Mr. Vankoughnet said.

Community Futures helps

communities hit with major layoffs and chronic unemployment. This program builds on the existing strengths of the communities, allowing them to pull together and decide for themselves what are the best ways of dealing with their economic problems."

Through Community Futures, funds will be provided during the next two years to assist the Community Futures Committee to take a realistic look at the opportunities for developing and diversifying the local economy.

The Committee may recommend one or more program options under Community Futures to help workers start businesses, learn new skills or relocate to seek jobs. There is also a provision for the establishment of a Business Development Centre to provide advice and equity investment in new or existing small firms.

### COMMUNITY FUTURES BACKGROUND

Community Futures builds on the strengths and resilience of communities hit hard by mass layoffs, closures, chronic unemployment or economic decline. The program encourages communities to develop initiatives on their own.

Community Futures supports local business leaders, labor, government and other interest groups to identify, develop and undertake measures to help their communities adjust to change. It's targeted to communities outside metropolitan areas that are in the greatest need.

Employment and Immigration Canada selects these communities in close consultation with the provinces, territories and other federal departments. Once selected, the community is encouraged to set up a local Community Futures committee with representation from business, labor, government and other interest groups. The committee chooses program options most suitable for the community's needs.

### The Options

The Community Futures committee can choose from the following program options:

**Business Development Centres** which provide locally managed technical and advisory services to small businesses, as well as loan investment assistance of up to \$75,000 per firm from a \$1.5 million investment fund.

## Water Management Supervisor

At the July Full Authority meeting, members said goodbye to Wes Mound, Water Management Supervisor for the LTRCA for the past six years. Wes was presented with a Certificate of Service; and members and staff thanked him for the excellent work he has provided for the Authority over the years. He was wished all the best for the future.

Wes finished his last day of work on July 22nd, and moved with his wife to Thunder Bay.

The newest staff member in the Authority is Randy Vilneff, replacing Wes Mound as Water Management Supervisor.

Randy went to school at Sir

Sandford Fleming College, studying geology. Since then, he was employed for nine and a half years at the Crowe Valley Conservation Authority as Water Management Coordinator.

Randy started his LTRCA position on September 8. Authority members welcomed him to his new position at the September Full Authority meeting.

## Futures

Cont'd from page 10  
ment fund;

**Self-Employment Incentives** providing \$180 a week for one year to enable unemployed individuals to start their own business;

**Training assistance** for the purchase of courses in approved institutions for training the employed, self-employed, or unemployed;

**Relocation and Exploratory** assistance for individuals or

groups of workers to relocate to jobs in other locales; and  
**Community Initiative Fund** which will match funds from other sources for local projects designed to generate new permanent jobs.

Program options are available to selected Community Futures communities for up to a five-year period. Community Futures allows communities to initiate solutions and choose programs that are closely tailored to the local needs.

## Queensborough Women's Institute

The November meeting of the Queensborough Branch of the Women's Institute was held on Wednesday, Nov. 12, with Mrs. Alf Sutton as hostess. The president, Mrs. Robert McNeil, opened the meeting in

the usual way.

The roll call, "Name a frightening situation in today's world", was answered by 14 members. There were two visitors.

Mrs. McNeil read a short report on the Area Convention in Picton, which she had attended in October.

It was decided to renew our subscription to the Historical Society in Belleville.

There was a display of articles from other countries, some coming from as far away as Australia.

A group of the ladies sang the old song, "Livv Marlene".

Mrs. Arthur Holmes, citizen-ship and world affairs convenor, was in charge of the programme.

Mrs. Holmes introduced our guest speaker, Mr. Lloyd Price of Actinolite, who had visited the places in Europe, where he had served as a soldier in the Canadian Army in the Second World War 1939-45, and had visited these places last summer including France, Germany, Holland, Belgium, etc. on the continent; also some places in the British Isles. He said there were very few signs left of the destruction of both wars. He showed slides

of these places showing the difference in the appearance of the countries, then and now, which were very interesting and instructive and enjoyed by everyone.

He was accompanied to our meeting by his wife, Shirley, who had also visited Europe with him. He also showed us several slides of Edenborough Castle and the surrounding country.

Mrs. Holmes thanked the speaker and presented him with a gift.

Mrs. Holmes then presented a contest on the names of countries which was won by

Mrs. Ken Cassidy.

Mrs. Frank O'Rourke had charge of the memorial service. She read a couple of poems, "Please Wear a Poppy" and "In Flanders Fields".

The members then placed poppies on a white cross placed there for the occasion. The group then sang "Abide With Me" and Mrs. O'Rourke concluded this part of the service with prayer.

The meeting was then closed with "The Queen" and lunch was served by the hostess and her assistants and a social time was enjoyed by all.

"Always a Friendly Atmosphere"

A special meeting of the Elzevir and Grimsthorpe Township Council was held in the Council Chambers, on Monday, November 10, 1986 at 7:00 p.m. for the purpose of

completing unfinished business. Reeve, Jack Robinson presided over the meeting with Deputy Reeve, D. Brough and Councillors, G. Best, H. Lewington and S. Roy in

attendance.

It was moved by D. Brough and seconded by H. Lewington that the minutes of the last meeting be adopted as circulated. Carried.

It was moved by H. Lewington and seconded by G. Best to make application to the M.T.C. for an encroachment permit and to pay the fee of \$58.50 provided the Block Parent Committee is able to obtain the proper signs. Carried.

It was moved by D. Brough and seconded by G. Best to table for the present, correspondence from Greer Gallo-way describing a five-year study for roads and equipment and to possibly arrange a meeting with their representatives in January, 1987. Carried.

It was moved by D. Brough and seconded by G. Best to write a letter of explanation to the Centre Hastings Community Corrections why our municipality plans to be consistent with the same donation as previous years in 1987, which is a good percentage according to the larger municipalities and their donations. Carried.

It was decided that the office could be closed on November 27, 1986 to allow the Clerk-Treasurer to attend a seminar on financial matters at the

Faraday Municipal Hall.

It was moved by H. Lewington and seconded by S. Roy to receive and file correspondence from the Ministry of Agriculture and Food regarding Foodland Preservation.

The Clerk was instructed to book rooms for the ROMA convention at the Royal York Hotel.

It was moved by S. Roy and seconded by G. Best to put the usual notices in the Tweed and Madoc papers regarding snow removal and parked cars on Township roads in the winter months. Carried.

It was moved by H. Lewington and seconded by S. Roy to receive and file the following correspondence for information:

- 1) Canada Post, Tweed, Ont. - notice of eliminating the need for a letter of guarantee from a bank;
  - 2) M.T.C. - Guide to Subsidy Policy and notice of Interim payment for 1986;
  - 3) Ministry of the Solicitor-General - Guide to Emergency Planning;
  - 4) Workers' Compensation Board - Notice to employers. Carried.
- H. Lewington adjourned the meeting, to meet next on Dec. 1, 1986 or at the call of the Reeve.

## Queensborough News

by Goldie Holmes

Sacrament of baptism was observed on Sunday at St. Andrew's United Church, at which time, three children were baptized. They were: Jason Andrew, Jamie Lloyd and Justin William, sons of George and Debbie Cooper.

Mr. and Mrs. Dalton Holmes of Trenton, visited Mrs. Arthur Holmes on Thursday, Nov. 6.

Queensborough Women's Institute held their regular meeting on Wednesday evening in the Recreation Centre.

Mr. and Mrs. Lloyd Price of Actinolite were guests and Lloyd showed slides of Zones in the World War II. He had

served in The Queen's Own Rifles.

Mrs. Shirley Cooper and Mark Stevens of Deloro visited Mr. and Mrs. Alex Clarke recently.

A number of ladies called on Goldie Holmes on Monday. They were: Shirley Harding, Peterborough; Amy Thompson, Bess Wilson, Marie O'Neill and Vera Vanstone of Marmora; and Melody Harding of Mississauga; also Eileen Yzereef of Cooper.

Mr. and Mrs. Alex Clarke visited Mrs. Frankie Donaldson at Millbridge on Sunday and called on Mr. and Mrs. Yzereef in Cooper that evening.

## Junior C Hockey Draw

This month's Jr. C Hockey lottery draw was held at the Tweed Motor Car Sales. First prize of \$500. went to Kevin Derry of R.R. No.3, Madoc. The winning ticket, numbered 244, was drawn by Clarence Vilneff.

Judy Rosenplot drew ticket number 365 for the \$300. second prize, which went to Don Wilman, qt. R.R. No. 2.

Marmora.

Third prize, drawn by Fred Alberts, went to Carl Pigden of 117 Durham Street, Madoc, holder of ticket number 339. He received \$200.

A bonus draw of \$500. was also made this month. Ticket number 45, shared by Peter Hainle and Wilf Terrior of Marmora, was drawn by Andy Rosenplot.

## Madoc

by Isabella Shaw

### ATOM ACTION

Madoc Atoms dropped a 9-3 decision to Frankford and won a 10-4 decision over Tweed.

Frankford held leads of 3-0 and 7-0 before Madoc found the scoreboard. Madoc scored three in the third with unassisted goals to Todd Mathews and Tom Sandford; and the third by Tom Burnside from Todd Mathews.

A couple of nights later, it was Madoc with scores of 3-1, 7-1 and 10-3 over Tweed in three periods.

Tom Burnside scored four times for his second hat trick of the year. Marcie Deering scored twice and Gerry Brownson, David Graham, Todd Mathews and Derek Davidson had singles.

Assisting were the above, plus Billy Harrison, Brad McCracken, Glen Meeks, Tom Sandford and Robbie Perrie.

### PEE WEE PRATTER

Madoc Pee Wees won their fourth league game with a 9-3 victory over Frankford. They have outscored the opposition 34-9 in league play to date.

Brad Phillips recorded his first hat trick of the year. Ian

## Minor

Richardson counted two and Pat Graham, Tim Bailey, Joe Kehoe and Ian Ketcheson had singles. With assists were Pat Graham, Ian Richardson, Clayton Curl, Ian Ketcheson, Pat Mahoney, Joe Kehoe and Dave Hobson.

### BANTAM B'S

The Bantam B's recorded a 4-0 shutout over the Stirling White team. Robbie Lake and John Chapelle combined for the shutout.

Kert Rosnuk, Jeff Wiggins, Robyn Plumbe and Dale Sager counted for Madoc's four goals. Assisting were Travis McLuckie, Robyn Plumbe, K. Rosnuk and Mark Mahoney.

Next home game for the Bantam B's is on November 22, at 3 p.m., against Stirling.

### HOUSE LEAGUE ACTION

House League action started last week in Madoc and saw the Leafs defeat the Flyers and the Oilers and the Canadians tie at 8.

In game one, the little line for the Leafs did all the scoring with Brian Phillips scoring seven goals and two assists. Brad Bateman had three goals and four assists; Terry Trotter and Charles Godfrey also had assists.

For the Flames it was Tom Burnside with three goals and one assist. Billy Harrison also had an assist.

The Oilers and Canadians tied at eight. For the Oilers it was both Gerry Brownson and Charlie Brownson with hat tricks. Glen Meeks and Wesley Cromwell had singles. Assists were credited to Glen Meeks, Wesley Cromwell, John Brownson and Matt McCoy.

For the Canadians, Sean Smith had a three-goal night, while David Graham and Dale Sager had two each. Ian Richardson had a single. Sager and Joey Hardy had assists.

House League games are Thursday evenings at the arena.

### NOVICE NEWS

With their first report of the year, we see the Novices have a 7-2 win over Frankford, a 5-3 win over Brighton and a 2-1 loss to Brighton.

In Frankford's game, Brian Phillips scored five goals, with singles going to Steve Landan and Sean Smith. Matt McCoy and Jeff Dixon recorded assists.

In the win over Brighton, it was Phillips with two goals and one assist; Sean Smith with a goal and an assist; Jose McNeil with a goal and an assist; and Steve Landan with a goal. Mike Blackburn had two assists.

In the 2-1 loss, Madoc's lone

## Hockey

goal came off the stick of Jose McNeil with assists going to Brian Phillips and Jeff Dixon.

Next home game is on Saturday, Nov. 29, at 11:30, against Frankford.

### ATOM ACTION

The Atoms played to a 5-5 tie with Tweed, with the tying goal being scored with only 28 seconds left in the game by Tom Burnside.

Other goals were scored by Gerry Brownson and Billy Harrison with single goals, and Marcie Deering with a pair. Adding assists were Glen Meeks with three, and Rob Perrie, David Graham, Derek Davidson and Pat St. Germain with singles.

The next home game will be on Saturday, Nov. 29, at 12:30 against Marmora.

### BANTAM BANTER

The Bantams played three games over the weekend recording two wins and one tie.

Opening the weekend was a 3-3 tie with Marmora. Scoring were Paul McMaster, Jeff Sawkins, and Derek McNevin (first of the year), with Rob Bronson and Jason Bailey adding assists.

The second game saw Derek Wood with his first hat trick of the year (he also added one assist), leading Madoc to an 8-1 decision over Marmora.

Jeff Sawkins had two goals and two assists, Jason Bailey a single goal and four assists. Rob Bronson and Derek Lucas also had single goals. Also adding assists were Stephen Brinks, Paul McMaster, Shawn Chapman and Jim Bonter.

Finishing the three games was a 6-3 win over Tweed.

Brian Forestell had a three-goal night and added two assists. Shawn Chapman, Paul McMaster and Jeff Sawkins finished the scoring. Adding assists were Jason Bailey and Paul McMaster (two each); Shawn Chapman and Derek Lucas with singles.

The next home game will be played on November 28, at 9 p.m., against Marmora.

### MIDGET MUSINGS

The Midgets chalked up their second victory with a 4-3 decision over Campbellford.

Scoring were Lenny Hyde (2), Mike Aggett (1) and Derek Chapman with the game winner. Derek Chapman, Jamie Danford, Brian Derry, Tony Langevin and Scott Chapman had assists.

## Happy Wanderers

by Viola Wannamaker

The Happy Wanderers Senior Citizens Club 473 held their meeting November 12th, with Laura Hannah presiding. There were 36 members present. The flu bug is still travelling about.

The meeting opened with 'O'Canada', with Ileen Yzerief at the piano. The minutes of the last meeting were read by Bernice Clarke.

Our Christmas dinner will be held December 3rd, in the church basement with the Trinity Ladies catering.

Frankie gave the report of the Zone 18 meeting, telling us of new rules of the meeting for next year. Hilda Anderson read the correspondence. A 'Thank You' card was received from Gladys Muir.

The bus report was given by Wilfred Forestell. There will be a bus trip to Belleville on November 24th, leaving the seniors' apartments at 10:45 a.m. We will have dinner at the Ponderosa and then go on to Quinte Mall for the show or shopping. On December 12, we will visit Sir James Whitney School for a Christmas Pageant, leaving the apartments at 1 o'clock.

The financial report was given by Maude Deline in the absence of Ernie Trembley. The new will be Helen Wannamaker.

The birthday song was sung for the November members. Ada Donaldson read a poem, 'Everyone Who Drives a Car'.

The door prize was won by Vera Foster.

Phyllis Rollins showed a film of her trip to Ireland, telling us about the castles of which there were many. This was much enjoyed by all.

The meeting closed by singing 'God Save The Queen'.

## The retreat became a rout

Some time ago, Mr. and Mrs. Eugene St. Cyr, of RR2 Havelock, brought some old 1914 Havelock Standard papers into the Citizen office. The papers were discovered when the couple were doing some renovating in their basement. While the date is not entirely legible, one of the dates appears to be July 23rd. According to more reports contained in the pile, some of the sheets could be from the fall of that year.

The following are some excerpts from the papers printed during World War I:

### AMIENS, LILLE AND OTHER CITIES WERE EVACUATED BY THE GERMANS

'A despatch from Paris says: The official communiques justify France's victory in the five days' battle being treated as a German rout. Reports from all sections continue to indicate a general withdrawal of the enemy. Lille and Amiens have been evacuated. The disorder which accompanied the rout is shown by the capture of many groups of stragglers. Several standards were also taken.

'Between Blotzheim and Sierenz, Alsace, French cavalry, supported by artillery, annihilated two squadrons of German cavalry. All the horses of the invaders were killed. The number of German troopers killed was very large. The French military writers, while they don't go so

afar as to say that the Germans are incapable of pulling themselves together and making another stand, think it is unlikely that General von Kluck will be able to form his forces and give battle in France unless the allies, breathless from their prolonged struggle, are themselves compelled to halt. It is held more probable that the gigantic armies will meet again in Belgium.'

### RED CROSS SAILS DELAYED STEAMER LEAVES NEW YORK ON ERRAND OF MERCY

'A despatch from New York says: The steamer Red Cross, formerly the Hamburg-American liner Hamburg, sailed for Britain. The Red Cross carries one hundred and twenty-five trained nurses and thirty surgeons, and an equipment of thousands of pounds of absorbent cotton, bandages, drugs and surgical instruments.'

### BRESLAU ATTACKED?

'BERLIN, Sept. 23 - (Via Rome) - All telegraphic and telephonic communication with Breslau suddenly ceased yesterday.

'It is feared that the Russian centre may have pushed forward and be attacking the city.

'Breslau is one of the links in the Oder line of fortifications. After Berlin, it is the second largest city in Prussia, with a

population of 500,000 and is the capital of Silesia. It occupies an important strategic position in Oder, and is a city of great historical interest, with magnificent buildings. It has been prepared for a possible raid by the Russians, and the last reports available from there stated that there was a very strong German force between it and the eastern frontier, also that artillery sent from it to support of Germans in Russian Poland had been captured.

'For some days, however, Petrograd has hinted at unexpected developments, in which the Russian centre army of 900,000 men would figure. This immense army was reported to be marching through Russian Poland, but no hint has been given as to its object or its destination.

'Breslau is one hundred and ninety miles southeast of Berlin, and about sixty miles from the frontier of Russian Poland.'

### MAY LAST FOUR DAYS

'BORDEAUX, Sept. 23 - 'The battle between the Oise and the Meuse probably will last three or four days longer,' says The Temps in a military review yesterday, 'but reports indicate that the resistance of the enemy is weakening. Another effort and French territory will be free of them. It will be hard however, for we shall have many victims.'

'Our advance between Rheims and the Argonne seems to show the greater part of the German army in retreat

by way of Belgium. West of the Meuse they are already making extensive defensive works on the Sambre.'

People from throughout the Cembal Publications coverage area attended Remembrance Day ceremonies at their local cenotaphs on November 11th. Here, Gene Brahaney of Campbellford lays a wreath at the Campbellford ceremonies.

### Minor Hockey Official

## Heart attack takes life of Gerry Carey

Peterborough County has lost one of its most distinguished minor hockey officials last week.

Gerry Carey, 61, of Peterborough died November 9 of a heart attack. Mr. Carey was an executive member of the Ontario Minor Hockey Association and responsible for all referees officiating minor hockey games in Ontario.

Mr. Carey had been elected to his third two-year term on the OMHA executive having served more than a dozen years as director.

Mr. Carey was the driving force behind the Peterborough Minor Hockey Council which was responsible for the Minor Petes' program. The council had been formed by combining the Peterborough Minor Hockey Association and the Peterborough Community Church Hockey League players. This group would represent Peterborough in provincial competition.

Mr. Carey served several terms as president of the council.

Mr. Carey managed the only Peterborough Pee Wee team to win the Quebec Winter Carnival tournament. He was also responsible for reviving the Peterborough Junior B team that was organized by the PMHC and entered in the Metro Junior B League in the late 1970s.

He was also a co-organizer of the Labatt's men's hockey

tournament, one of the largest tournaments in Ontario.

Mr. Carey was a member of the Royal Canadian Legion's Branch 52 in Peterborough and Branch 607 in Keene. He was also a member of the Keene Lions Club, the Knights of Columbus and the Naval Association.

He was the owner of Carey Jewellers.

Mr. Carey is survived by his wife Louella (nee Crane), six sons, Paul, Gary, Art, David, Brian and Kevin, and daughters Margaret Downer, Theresa Bonner and Marie Armitage.

Mr. Carey is also survived by a sister, Mrs. Ann Hoar, and brothers Ronald and Stanley.

He is also survived by ten grandchildren.

Funeral Services were held November 12 at Our Lady of Assumption Church in Otonabee with interment at St. Peter's Cemetery.

The family requests that memorial donations be made to the Kidney Foundation.

Gerry Carey

## Gift ideas from UNICEF

In response to requests from across Ontario, UNICEF again this year offers a wide variety of gift ideas.

The remarkably compact, slim and practical 1987 Pocket Diary features ample space for appointments, a list of important international holidays, an A to Z index, plus conversion tables, and much more. Only \$9.00.

Not just for the holidays, UNICEF's 1987 Wall Calendar is both practical and educational. Including all holidays and special dates, the calendar features children's art from many countries. The calendar comes packaged in a colourful, ready-to-mail envelope at \$4.00.

Sixty-one colourful photographs focussing on children adorn the 1987 UNICEF Engagement Calendar this year. At \$11.00, an economical way to show you care.

New in stock, the executive style desk calendar is complete with both a week-at-a-glance section and a special area for notes and phone numbers at a cost of \$15.00.

The universal messages of good cheer: 'Happy Holidays', 'Season's Greetings', 'Peace on Earth', or 'Joyous Christmas' adorn the popular UNICEF mugs. Packaged in their own gift box at \$5.75 each.

Ideal for after-holiday thank-you notes, UNICEF's Holiday 'Cont'd from page 24'

## Consumer's Association plays vital role to aid consumer

A child of World War II, the Consumers' Association of Canada (CAC) has cut its teeth on issues as diverse as food shortages and airline deregulation.

Now approaching its 40th birthday, the association continues to grow, expanding programs to keep pace with the ever-changing meaning of the word "consumer."

"For example, water quality would have seemed a bizarre issue to be tackling when the association started 40 years ago," says CAC spokesman Richard Garlick. "Then, we were mainly concerned with food pricing, shortages and hoarding. But today the term 'consumer' has taken on a much broader definition."

Funded in part by the federal and provincial governments, the advocacy group helps protect consumers from unfair and unsafe practices, touching on hundreds of topics from cars to carcinogens. This protection is provided through lobbying efforts targeted at business and government, public education programs and

publicity campaigns designed to broadcast the consumer's position on contentious issues.

"The association has a vital role to play in making consumers' wishes and needs known to industry and government," says Monte Kwinter, Ontario Ministry of Consumer and Commercial Relations.

While the association does get involved in heated debates at times, the relatively peaceful world of public education represents a large segment of its work.

Consumer Week, a public awareness campaign held each fall, is an important part of the association's education program. The 1986 campaign is being co-sponsored in Ontario by the Ministry of Consumer and Commercial Relations (MCCR), through its Consumer Information Centre (CIC) in Toronto and regional offices across the province.

In addition to helping promote such special projects as Consumer Week, the CIC operates the province's most comprehensive consumer resource library and provides a toll free inquiry service for residence throughout Ontario. The ministry's eight regional Consumer Services Bureaus offer advice and mediation help with specific problems. Closely linked with MCCR's enforcement staff in Toronto, the bureaus can quickly alert authorities if scams start up in their areas.

The Consumers' Association also utilizes a network of regional offices to help circulate information. Ontario's provincial CAC headquarters in Toronto link eight regional offices with the national organization in Ottawa.

Operated by volunteers, the regional branches run educational programs and information services geared to local needs, with input from Ottawa if required. When an important issue arises, the national group can ask regional representatives to gather a cross section of opinion before policies are

set or official positions announced.

As well as channelling information between Ottawa and the regions, the provincial office operates a help line and referral service, says Sue Beck, CAC information officer for Ontario.

Beck can also offer advice on who to call about consumer problems and where to look for reports on particular products. Many of the rating reports consulted are contained in the CAC's own magazine, Canadian Consumer, which is produced in Ottawa. The association's Ottawa base is also home to a completely equipped product testing lab where data for magazine reports is compiled.

Membership in the CAC automatically includes a subscription to Canadian Consumer.

With a current membership of 160,000, the group has grown considerably in 40 years and

new issues such as food irradiation and debit cards are grabbing the spotlight from more traditional concerns.

"But, in general, people still want to know there is an organization out there that will help protect them..." Garlick says. "There's just as much need for it now as there used to be...maybe there's even more of a need."

For information about the CAC, help with a consumer problem or to locate the closest regional representative, call the association's Toronto office at 416-481-6864.

The ministry's Consumer Information Centre can be reached at 416-963-1111 or toll free at 1-800-268-1142. Ontario residents with an 807 area code may call the 416 number collect. For help with a specific consumer problem, contact the nearest Consumer Services Bureau. Numbers are listed in the phone book.

## H & R Block Satellite Convention

The Annual Satellite Convention of H&R Block, Region No. 41, was held November 5th and 6th, at Cambridge Motor Hotel, Toronto. Mr. Bill Greene, District Manager of Toronto operations, welcomed the 65 members, the theme being Client, Quality and Teamwork.

The most outstanding changes this year are:

(1) instant cash back (in larger offices);

(2) the \$300 cheque mailed directly to the mother as partial payment of the Child Tax Credit, the last week of November. The remaining \$140 will be applied for in your income tax, Schedule No. 10, subject to the provision, combined spouses or supporting person's net income, not to exceed \$12,000 to \$15,000;

(3) Seniors will have to apply Cont'd to page 4A

## Horticultural Society Meeting

There was a good attendance at the November "Bring and Brag" meeting of the Horticultural Society, which has become an annual event.

During the business meeting, treasurer, Patti Groff, reported that our Plant Table Raised \$194.71 for the Hospital Auxiliary Bazaar.

Dennis Pacey gave a progress report on the Queen St. Park. Red tulips have been placed in the flower beds. A clump of white birch and a sunburst locust have been planted; and, in Ray Collard's garden, awaiting separation and transplanting in the Park next spring, are thirty chrysanthemum plants. Consideration is also being given to finding a suitable name for the park.

Thanks were expressed to Tine Lisle, who addressed senior citizens at a Community Care dinner on the subject "House Plants".

Ray Collard gave a brief report on the District Convention, held at Sir Sandford Fleming College, Peterborough, at which he and Dennis Pacey were voting delegates. Congratulations were extended to Jim Trotter, who was elected as District Director.

One of the speakers at the Convention was the well-known writer, speaker and teacher, Ross Hawthorne. His topic was "We Are Poisoning Our World". He warned us to beware of the "sneaky ones" - herbicides, fungicides and insecticides, which contain chemicals, such as 2-4-D.

which pollute our fresh water and have cancer-causing agents.

He quoted an instance where, in a supermarket, bags of "Weed and Feed" piled near fresh vegetable produce, caused the vegetables to wilt.

Man has turned to chemicals, as an easy way to control diseases and pests. However, if we are really concerned, there are natural herbicides, fungicides and insecticides being produced.

One such company is Safer Labs Ltd., Scarborough. In Tecumseh, Ontario, Pat Corstien's "Better Yield Insects" are shipped to gardeners, etc., to control pests in their crops.

Many greenhouses are now avoiding the use of polluted soil, by preparing their own promix, made from 60% peat, 20% medium vermiculite, and 20% medium peat. This is a good mix for houseplants.

Ray Collard felt that this was the best convention he had ever attended.

A question and answer period gave some members some ideas of (1) how to make

a Christmas cactus bloom - the plant needs a short eight-hour day and a cool temperature; (2) The right time to mulch garden plants, roses, etc., is after the ground freezes.

The "Bring and Brag" program was provided by members, who explained their showpieces. Among the interesting exhibits was a pan of horehound candy, made by Helen Clarke, from the horehound plant leaves, grown in her garden. She gave her recipe and passed around samples of the candy (good for coughs) to the members.

Glenn Bennett showed black alder branches, covered with red berries, which, if kept in water, will last until Christmas and add a decorative touch to dried bouquets. The shrub grows on low land along the Trent River.

Dorothy Bennett's samples of peanuts, grown in her garden and oven-roasted, were very edible.

Ruby McCulloch's beautiful peacock kale had been grown from seeds obtained in

# Remembrance Day, 1986

*Lest we  
forget ...*

*In Flanders fields the poppies blow between the crosses row on row  
That mark our place; and in the sky  
The larks, still bravely singing, fly  
Scarce heard amid the guns below.*

*We are the dead, Short days ago we lived, felt dawn, saw sunset glow.  
Loved and were loved, and now we lie  
In Flanders fields.*

*Take up our quarrel with the foe:  
To you from failing hands we throw  
The torch, be yours to hold it high  
If ye break faith with us who die  
We shall not sleep, though poppies grow in Flanders fields.*

**Remembrance Day at St. Mary's**

A Remembrance Day Ceremony held at St. Mary's School in the afternoon of November 11th stressed peace. Staff and students from all grades in the school took part in the ceremonies while Rene Brode played the trumpet for the assembly.

## CDHS Sports report

### Midget girls basketball team downs St. Mary's of Cobourg to end season

In regular season play last week, the CDHS midget girls basketball team concluded their regular schedule with a 33-22 win over St. Mary's of Cobourg.

Suzanne O'Connor was a driving force on the floor as she outran all of the opposition. Kim Isaac moved the ball well and Kim Hughey scored her usual four points. Linda Weatherup was sharp defensively and helped lead the team to victory. Jennifer Reavell topped the scoring.

The team's regular season results included four wins and four losses.

### Midgets play Nicholson Catholic College in exhibition

The midgets eked out a 45-43 overtime win in exhibition play against Nicholson Catholic College last week.

Nicholson led by 10 points at the half but CDHS came back strongly to take the lead in the final quarter. When regulation time ended, the score was even at 39.

In the overtime period, Nicholson scored first but reliable Lynn Phillips sank two points to tie the game and then,

with four seconds to go, Lisa Brinkman grabbed a loose ball and stuffed it home to win the game.

"It was a great comeback win, one that typified the girls' season," coach Peter O'Leary said of the game. "Angela Buchanan rebounded well and regained her scoring touch. As usual, Julie Fischer and Charmaine Patterson did most of the hard work in moving the ball up court."

Scoring for CDHS were Lynn Phillips with 14 points, Julie Fischer, Jennifer Reavell, Lisa Brinkman and Angela Buchanan each scored six points, while Kim Hughey collected four and Charmaine Patterson dunked three points.

### Juniors lose tough decision to Clarke

On Wednesday, November 12th, the CDHS juniors lost a tough decision 34-30 to Clarke High School. The loss leaves the juniors with an end-of-season record of six wins and two losses, good enough to finish in second place and qualify the team for the Kawartha Tournament on Saturday, November 22nd.

Jennifer Petherick played an outstanding game and was the game's leading scorer with 22 points and super rebounding.

The juniors played excellent ball against a triple A Nicholson High School on Thursday, November 13th. It was a great match in which all players played to their potential. Final result was a 31-25 loss.

Scorers for CDHS were Jennifer Petherick, Mary-Jane Lee, Jennifer Pirri and Karen Sullivan. The guards, Jennifer Brahaney and Donna Shanks, handled the ball extremely well to enable the team to set up their offence.

# Horticultural Society

Cont'd from page 4A  
Vancouver.  
Ray Collard wowed the members with his beautiful afghan, showing the provincial

emblems.

A slide show followed, with pictures of gardens and scenic views, provided by John Cook, Dennis Pacey, Joyce Parr, Glenn Bennett and Madeline Simpson. Those shown by Dennis Pacey took us through the seasons and were set to music, making a lovely presentation.

An important date to remember is the annual Christmas potluck dinner on December 1st, at 6:30 p.m. Bring your own utensils.

Annual reports will be heard. The program will be presented by Muriel Godden and will feature slides of Expo, from a horticultural viewpoint, and is set to music.

## Recipe for HoreHound Candy

1. Pack one cup with top leaves of horehound plant.
2. Boil half-hour in water.
3. Strain off water, squeezing leaves.
4. Boil together this juice with one cup butter or margarine, 1 cup brown sugar, 1-1/2 cups corn syrup, till a hard ball forms when mixture is dropped into cold water. Beat. Pour into buttered pan.

The Campbellford Shrine Truck Unit presented a cheque of \$2,000 to the Rameses Burn Centre of the Hospital for Sick Children's new addition to be finished in 1989 and the Kawartha Shrine Club presented a cheque of \$150 to Gerry Radford for Blake Radford last Saturday morning. In the picture is Tom Fox, Jack Locke, Gerry Radford, Fred Clarke, Director of the Kawartha Shrine Club, Bev Collins, Don Brown and Bill Newman. The truck in the background is a 1925 GMC purchased in Milton eight years ago. It participates in the Campbellford Santa Claus parade and other local and area parades and ceremonies in the area. The theme on their truck is Snoopy and the Red Baron so watch for it in the Santa Claus parade on the 29th. They participate in ceremonial parades from Kingston to Niagara Falls and north to North Bay. Funds are raised through country music bus trips.

## 4-H conservation club

by Sherri Blackmore  
Our 4-H Conservation Club has been very busy lately. Last month we helped with the evacuation of the Meadow Lark Nursing Home. It was very successful in showing what was and wasn't working in their plan.

Our present project is planning part of our Santa Claus Parade Float.

On Thursday, November 6th, our class had the pleasure of having a guest speaker, Mr. Bruce Stratton. He is a conser-

vation officer who works for the Ministry of Natural Resources. His office is in Napanee.

He showed us some slides describing areas of his work. He discussed with us how the public interacts with his job.

We really appreciated his visit and I'm sure we all learned a lot.

One of our upcoming special events is the Santa Phoning Project for the Belleville Chamber of Commerce. Look for future reports!

# Cembal Publication's Christmas Story and Drawing Contest

## Open To All Grade School Children

For our special Christmas Greetings Issue, we're looking for drawings and stories on a Christmas theme by the children of the area, and we're offering prizes for the top entries.

### \* Read The Rules Carefully and Enter \*

1. Contest open to all school age children.
2. Work must be on Christmas theme.
3. Drawings should be in black or very dark colours on white paper for maximum contrast.
4. Work will be judged on artistic merit and creativity.
5. Prizes: \*7.50 for first, \*5.00 for 2nd and \*2.50 for 3rd. Two categories: 1) Poem or Story 2) Picture. Three Divisions: Senior (Grades 6-8) & Junior (Grades 3-5), Primary (K-2). Twelve prizes in all!!
- 6) Drawings should be on paper no larger than 8 by 11 inches.
- 7) Drop your entries off:

At your local Cembal Publication office  
or  
At the appointed place in your school  
or  
Mail to:  
Cembal Publications  
Box 250, Christmas  
Marmora, Ontario, K0K 2M0

- 8) All work becomes property of Cembal Publications and will not be returned.
- 9) All submissions should have name, age, grade and school of child.

**ENTER SOON!!**  
Contest Runs Only Until  
December 10th

## IMPORTANT NOTICE

This is a Notice to Farmers in the Area that this is the last year for the 7% Farm Tax Credit. So, if you are in the position of paying Income Tax for the 1986 Tax year and you are in need of a new piece of equipment, why don't you drop by McKeown Motor Sales in Springbrook, your Massey Ferguson Dealer, for some good Year End Discounts? Also, take advantage of the 7% Farm Tax Credit!

## CARD OF THANKS

The family of the late Lula Kennedy would like to express their heartfelt thanks to friends, neighbors and relatives for their donations to the Heart and Stroke Foundation, Cancer Society and for flowers, telegrams, cards and words of sympathy and prayers during the recent loss of our dear Mother and Grandmother. Special thanks to Rev. Arthur Davies, the McConnell Funeral Home, Marmora, the doctors and nurses at Campbellford Memorial Hospital, Peterborough ICU at St. Michael's Hospital, Toronto, Dorcas Rehabeah Lodge, No. 8, Havelock, Les Conner Keith and Sandra Hamilton and Ken and Rhea Hint for their comforting words, kindness and support. Aunt Lucille, Jeanette and Lon.

The family of the late Lucille Beckett would like to sincerely thank the neighbors, friends and family of Stirling and the surrounding communities for the many acts of kindness shown to them in the sudden loss of a dear wife, mother and sister. The warm and caring support shown through visits, taking cards and transportation were greatly appreciated during a difficult time. Fred Beckett and family and Mina and Gordon Foster.

The family of the late Edgar Fisher wish to thank relatives, friends and neighbors for their floral tributes, donations and acts of kindness at the time of the loss of a loving father, grandfather and great grandfather. Special thanks to Rev. Owen McPherson and attending Doctors & nurses at Campbellford Memorial Hospital. The Weaver Funeral Home and Residents of Trent River for their wonderful lunch following the funeral service. Our sincere thanks, the Fisher Family.

The Norwood Bantam Ball Team wish to extend their thanks to the Norwood Chamber of Commerce, the Norwood Legion, the Village of Norwood and all those who helped in any way making the Victory Banquet such a success. Special thanks to Ruth Buchanan, Hendrina Parson and Bill Southard for their time and efforts in arranging the evening.

The organizers of the recent Christmas Sale sponsored by the Northumberland Arts and Crafts group would like to thank our many friends for their support during the event. The summer and winter sales organized by this non-profit group create the funds to look forward to seeing you again at our next show to be held the first weekend of July, 1987.

## Give the children a tomorrow

By purchasing UNICEF greeting cards and gifts, you can help children in developing countries live healthier lives. Five million children under the age of five will die this year and another five million will be left crippled, blind or mentally disabled by six easily preventable childhood diseases: Measles, Polio, Diphtheria, Tuberculosis, Tetanus, and

Pertussis (Whooping Cough). These deaths can be prevented for the small sum of \$5.00 per child.

Choose from UNICEF's wonderful selection of greeting cards - and gifts this holiday season and help UNICEF give the children a tomorrow.

For the nearest UNICEF Greeting Card location, contact 1-800-268-6364.

Sgt. Tom St. Germain and Canadian Tire's Ken Rice holding a "Knife for Life".

## Knife for Life

With the planned increase in spot checks under the OPP R.I.D.E. (Reducing Impaired Driving Everywhere) program, drivers in the area stand a good chance of being pulled over during the next few weeks.

If you are stopped at a check point however, you will more than likely receive a gift. A gift that could prove invaluable in certain circumstances. A gift that you will hope and pray that you'll never have to use.

The gift, nicknamed the "Knife for Life", is a razor sharp blade encased in sturdy yellow plastic that has been specifically designed to cut through seat belts of accident

victims trapped in their vehicle.

The Canadian Tire Corporation Auto Club has made hundreds of thousands of these devices available to the OPP throughout the province in support of the R.I.D.E. program. Two adhesive strips permit the placing of the knife in an accessible position for easy use by the driver, or passenger or rescuers in time of need. It's also a visible, constant reminder to drive with care and caution.

Ken Rice of the Madoc Canadian Tire Store, said that the CTC Auto Club stresses safety at all times and wanted to

reinforce the efforts of the OPP in their safe driving campaigns. He and Sgt. Tom St. Germain commented on the usefulness of the device and felt that it could be used as a gesture of appreciation to the motoring public for their co-operation during the Spot Check period.

"Generally speaking," said St. Germain, "we receive excellent co-operation from the vast majority of motorists that we stop. It's fairly common for the officer on the spot check to be complimented and thanked for trying to keep the highways safe for motorists."

### Birthday

## 101st.

Amid a gathering of close friends and family, Mrs. Sarah Jane Hawthorne celebrated her 101st. birthday on Sunday November 23rd., at Hastings Manor.

Mrs. Hawthorne was born in Strabone, Northern Ireland in 1885 and came to Madoc in May of 1919 as a new bride. She and her husband took up residence on St. Lawrence East, with Mrs. Hawthorne living there until 1978 when she moved into a nursing home.

Youngest son Stan, said, "She's in pretty good shape for her age and eats like a horse."

Reverend George Beals was on hand and read from the scriptures to Mrs. Hawthorne who is a member of St. Peter's

Lorne Hagerman, Don Bailey, John Beer, Bob McNeil and Jean Bailey with Mrs. Sarah Jane Hawthorne on her 101st. birthday.

in Madoc. The musical group "Just Friends" sang a medley of Irish songs including the haunting air of Danny Boy.

Mrs. Hawthorne appeared to be quietly enjoying to occasion, as did the assembled guests.

## Santa Arrives on Sunday

Santa's chief helper, Carol Ann Kramp reports that this years Madoc, Art Clarke, Santa Claus Parade promises to be one of the best ever. When we dropped in for a visit, Carol Ann and her helper Alexis Baxter were poring over lists checking confirmed entrants for the parade and making lists of those to be called.

"At this point," said Carol Ann, "we have about fifty confirmed entrants. The big one of course, is Santa himself."

The parade is sponsored by the Madoc and District Chamber of Commerce supported by generous donations from local merchants. "Without such support, I don't know what kind of parade we'd have," said Carol Ann, "some of these bands charge as much as \$600.00 for a parade."

"This year, we are calling the event, The Madoc, Art Clarke, Santa Claus Parade. Art is a local Madoc man who has had a long association with the Army and Navy Band from Belleville and has done much to ensure the band appears in our parades. This year they have generously agreed, through Art, to take part for expenses only," said Carol

Ann.

There will likely be five bands in the parade. The Army and Navy Band, Bancroft Pipe and Drum (weather permitting), The Havelock Band, Centre Hastings Secondary School Band, and tentatively The Trenton Citizens Band. There'll be majorettes, clowns, floats, marchers, five trucks, The Shriners,

O.P.P. and all the other good things associated with a Christmas parade.

The parade starts at 2 p.m. from Bert Jones and Pigden Motors, (check the map for the route) and Santa will be at the Kiwanis Centre at 2.45 p.m. to meet the children. Terry Pigden will be giving a running commentary, as usual, identifying various floats and groups.

It's a day for children (of all ages) and you don't need to spend a nickel. Come out and enjoy yourselves and when you take the children to see Santa at the Kiwanis Centre you'll find free hotdogs and coke.

A good turnout will show the sponsors, local merchants and the committee members that you appreciate their efforts and all of the hard work that goes into bringing a parade like this to Madoc.

K0K 2K0

Dear Legionnaires:  
The Kidney Foundation would like to express their sincere appreciation to Branch 363 for your kind and generous donation of \$500. This money will go towards the purchase of a new dialysis machine for Kingston General Hospital. This new machine will permit some patients to receive their treatment in just three hours instead of the four to six hours. This is a vast improvement for our patients, and through the efforts of your Legion and so many other Legions and service clubs they will be able to lead a much better life.

We wish you continued success in your numerous ventures, and with the continued support of organizations such as yours, we will find a cure for kidney disease. You will be proud to know that Tommy Deline is currently being treated on one of the new machines at K.G.H. and is getting younger with each treatment. Yours truly,  
Donald Gavey, Pres.

## D.S.T.

Next year, Daylight Saving time will come into effect three weeks earlier than usual. Ontario and Manitoba are the only two Provinces that have decided that D.S.T. will

Cont'd to page 7

## Comment.....

Ontario Solicitor General, Ken Keyes, our top law enforcement officer has admitted to drinking on board a police boat.

In view of the fact that the Solicitor General's Ministry is responsible for law enforcement in the province, and in light of the massive summer campaign warning boaters that it is against the law to drink in boats on our waterways, it seems incredible that an official with such responsibilities would take part in such an event.

Premier Peterson in trying to minimize the situation suggested that Keyes was caught in a gray area of the law. What gray area Mr. Premier? Is there a specific part of the law that applies to ministers and officials but not to citizens in general? To an ordinary citizen, it seems to me, that the law is the law is the law.

Solicitor General Keyes must be charged and dismissed from his post. If he's not, the credibility of the Ministry of the Solicitor General

and that of the government will be suspect in the minds of the countless citizens who abide by the law.

Premier Peterson suggests that Keyes was perhaps, not aware that his actions were against the law. If this comment is offered in mitigation Mr. Premier perhaps you should re-read some of your law book primers on the basis of common law. One of the basic tenets of our law is that, Ignorance of The Law cannot be used as a defense.

## Peace Prayer Balloons

The students of Madoc Public School have been working on projects that recognize this year as being "The International Year of Peace."

Their visit, en masse, to the cenotaph on Remembrance Day lead into a project to further the peace theme.

On Friday of last week, the students released balloons containing Peace Prayer's, written by individual students, as well, half the students wrote a letter to Premier Mikhail Gorbachev and the other half are sending letters to President Ronald Reagan.

These letters represent the individual child's thoughts on the need for peace. They stress that there be no more wars, they ask the world leaders to work towards peace and point out that they ring the Peace Bell at the school each day and pray for Peace.

## Family Violence Prevention Week

Don't forget that the first week in December has been designated as Family Violence Prevention Week and that the local Family Violence Committee has scheduled a number of events dealing with this topic.

With statistics showing that 1 in 10 female partners are abused and battered, there is increased concern over this growing problem.

Many victims suffer this abuse in silence, staying with their partners for a number of reasons, some of which are emotional and legal (marriage) attachments, economic dependence, children are involved, there is nowhere to go and no support systems in place. Pressure from society and the community are also powerful deterrents to the seeking of help.

Presentations on the supportive programs now in place for victims will be made on the evenings of December 1st, 2nd, 3rd, and 4th. Two films will be shown on Monday evening, a presentation by Const. Norm Papi of the OPP is scheduled for Tuesday. Const. Papi will be discussing the role of the OPP in family violence and on Wednesday, Michele Leering, a lawyer and Executive Direc-

tor of Hastings and Prince Edward Legal Services will talk about the legal aspects of Family Violence. On Thursday there is to be a panel discussion by Social Service Providers in Centre Hastings on Family Violence.

There is no charge for these meetings and everyone is welcome to attend. The meetings will take place in the rear of the Health Unit building and entrance will be by the side door. Remember too that if you can't get a baby sitter, take your children along - child care is provided.

## Spot Checks

The O.P.P. are again making an all out effort to keep our highways safe during the coming holiday season. The O.P.P. H.Q. in Toronto has issued a directive to all detachment commanders concerning the operation of the R.I.D.E.

program and the following is a list of highlights from that directive.

- Spot checks are to be the top traffic priority.
- A minimum of 40 spot check points to be established every day.

- 70,000 vehicles to be checked.
- 700 regular and 450 Auxiliary Officers to be dedicated to the R.I.D.E. program.
- Special 6 and 12 man units in London, Barrie, North Bay and Belleville to be made available to supplement local detachments.
- All traffic and Waterways units to be committed to the R.I.D.E. program.
- Spot check procedure to be streamlined to minimize delays to motorists.

## 20 Year Medals

Deputy Commissioner Bob Rose of the Ontario Provincial Police was in Belleville last Thursday on the occasion of the annual OPP Presentation of Awards.

Speaking to the 16 officers and civilian employees to be honored with 20 year, Long Service and Good Conduct Medals, Rose made mention of the contributions they had made to the force and urged them to share their experience with their fellow officers. He made special mention of their families and said that they too, were to be commended for "putting up" with the stress involved in police work.

Of the 14 officers receiving the medals in OPP District 9, 3 were from the Madoc Detachment. Receiving the awards were, Cpl. R.M. Cooper, Const. Jon Ball and Const. Rob Bonter.

Constable Bonter was one of four officers present who had spent their entire career to date with one detachment.

Congratulations gentlemen on your achievements.

Don't let that envelope containing Christmas Seals remain on the mail desk - open the envelope or, if you have opened it, put this year's beautiful seals to use now - and send in your donation today. "Each donation is urgently needed," says Mrs. Marg Hallam. "Our campaign target is \$65,000 and, to date, we have received \$20,550."

The funds received go back into the community to help in many ways. For example, the Family Asthma Program benefits each member of the family. Program Coordinator, Miss Marianne Beelen, says there is a notice-

able difference in the families after attending the program. They seem more confident - able to cope with their asthmatic child. They have been given the help and guidance they need.

If you have a family member or close friend suffering from emphysema or lung cancer, you personally know how important it is to fund researchers who are working toward a cure for these dread diseases. This year, The Lung Association, through its medical section the Ontario Thoracic Society, will contribute more than \$685,000 to further research in medical schools in

Ontario and to individuals with new or on-going research projects.

More funding is needed. "We have the capability to conduct world-class research," says O.T.S. President Dildar Ahmad, but "We need the funds to do the job."

"The Lung Association must remain strong in the community, and it must increase research funding. All are vital to the health and well-being of Canadians," states Mrs. Hallam. "Join with us in the fight against lung diseases. Community support can win the battle against lung disease."

by Sharon Phillips

## The Do-gooders

"Etiquette for the 80's" was the exciting 4-H Club which the Madoc girls, "The Do-Gooders" recently completed. Twelve Do-Gooders finished the project. The executive consisted of President - Kelly Matchett, Vice-President - Crystal Tough, Secretary - Kerstin Hickey, Treasurer - Patricia Wiggins. Other members included Anne Beutler, Jayne Daniels, Michelle Devolin, Andrea Hagerman, Lori Jonas, Leanne Phillips, Karen Wiggins and Vicki Wiggins. The leaders were Mrs. Sharon Phillips and Mrs. Sandra Dixon.

This project included learning the true meaning of etiquette - not simply saying please and thank you. We learned how to be a good friend, how to give proper introductions, and how to be a good hostess. We learned how to write and reply to an invitation, how to write a thank-you note, and how to introduce and thank a speaker. Table settings and how to eat certain foods were also part of the course. We also had a meeting on Close Encounters of the Best Kind - Dating.

The practical parts of this project included entertaining a guest for dinner and a visit to the local funeral home where James McConnell gave us a tour of the facilities. This was an attempt to make us feel more at ease when we visit

there. Thanks Mr. McConnell for your time and information.

The Do-Gooders invite you to attend their Achievement Programme, November 27, at 7 p.m., at CHSS. This is a potluck supper so bring a dish of food and join us for supper and the presentation of awards.

After the new year the girls start a new project called "Surviving With Style - What's It All About". Anyone at least 12 years of age is welcome to join us. The course is free and the meetings are held Tuesday afternoons 3:30 - 5.

For more information call 473-4119 or 473-4763. We would sincerely like to thank the Madoc Women's Institute for sponsoring us.

## R.I.D.E. Revving up

Since 1983 the OPP has experienced a gradual but significant decrease in the number of drinking drivers at their R.I.D.E. Spot Checks during the Christmas/New Year Festive Season.

Between December 5th, 1983 and January 15th, 1984 they charged 1,329 persons with alcohol related criminal code driving offences. They had 2,007 twelve hour licence suspensions and checked 126,712 vehicles.

In the same period 1984-85, 1,140 persons were charged with alcohol related criminal code driving offences, 2,236 twelve hour licence suspensions were effected, and the number of vehicles checked rose to 137,200.

In the six week period

December 2, 1985 to January 12th 1986, the number of charges decreased to 934; 12 hour licence suspensions decreased to 1,726 and the number of vehicles checked increased to 165,429.

This, in addition to the motor vehicle fatality free 1985-86 Christmas and New Year period - is good evidence as to the effectiveness of the R.I.D.E. program.

However, the OPP report that in spite of their increased enforcement efforts, intense media campaigns, in spite of the growing public concern about impaired driving, and in spite of new tougher criminal penalties, there is still an alarming number of drinking drivers on the highway.

The R.I.D.E. program will be our top traffic priority for the next two months.

## Queensborough News

By Goldie Holmes

The family of Hazel Thompson of Belleville held an afternoon tea on Sat. Nov. 15th in the United Church hall in honor of her 80th birthday. Over 100 guests attended.

Mr. Allan Franks is in Kingston General Hospital.

Rev. Jeff deJonge and "Just friends" quartette entertained at Madoc Manor on Sunday evening.

Sunday visitors of Mr. & Mrs. Alex Clarke were Mr. & Mrs. Kelly Lucas, Lawrence and Kelly Lynn of Belleville. Mrs. Paul Downey, Terri and Amanda of Madoc, Mr. & Mrs.

Kenny Walker, Wendy and Jason of Tweed.

Mr. & Mrs. Robert Turner "Sr." of Frankford visited Mrs. Arthur Holmes on Sunday.

The family of Mr. & Mrs. John Thompson spent the supper hour on Saturday with them.

Mr. Francis O'Rourke Trenton, son of Mrs. Frank O'Rourke, was injured at work at Batawa on Friday last. He received 2nd degree burns to his left hand. He is in Trenton Memorial Hospital.

A number from here attended the funeral of Thomas Granger in Port Perry on Wednesday. He was the son

of Mrs. Myra Granger, the former Myra Sager.

Mr. & Mrs. Kelly Lucas and family called on Mr. & Mrs. John Walker and Allan on Sunday evening.

Mr. & Mrs. Norman Lewis visited Mr. & Mrs. Sam Lewis on Sunday.

Mrs. Helena Whiteman and Joe of Cooper called on Mr. & Mrs. Alex Clarke on Monday evening.

Mrs. Arthur Holmes was overnight guest on Friday last, of her Aunt Evelyn Rollins.

Mr. & Mrs. Alex Clarke called on Mr. & Mrs. John Yzereef in Cooper on Friday evening.

## Trinity United Church Women

By Viola Wannamaker

The Trinity U.C.W. held their meeting Nov. 19th at 2 O'clock at the home of Mary

Taylor. There were 15 members and 1 visitor present. The leader for the next 3 months will be Lottie Bailey, she welcomed all present and opened the meeting with Hymn 116, "From all that dwell below the skies." The "Purpose" and Psalm 117 was read in unison. Hymn 523 "O God of love, O King of peace" was sung. Verna Empey read a poem on "Conquest".

The minutes were read and adopted. The Roll was answered by reading a verse from the Bible with the word "Praise" in it. Eva Brownson gave the Treasurer's report, and Reta Allore gave the card report. We are glad to know Thelma Jones is improving. A thank you card and a cheque was received from Gladys Muir. We are invited to a Tea, Bazaar & Bake Sale at the Catholic Parish Hall Nov. 29th. Also an invitation has been received from Queensboro to a Tea, Bazaar and Bake Sale Nov. 26th. Our Tea, Bazaar and Bake Sale is Nov. 22, this Saturday commencing at 12 O'clock. We will be taking plates of goodies to our shut-ins again this Christmas. Donations will be given to the Missionary Society and to the Church Renovation Fund. The next meeting will be at the home of Anna Carman Dec.

17th. A Christmas meeting with all participating, Irene Gordon and Eva Brownson assisting.

The program was led by Reta Allore reading Paddy Whalen's poem, "An old fashion winter". Viola Wannamaker assisted by reading "When trouble comes and things go wrong". Reta closed with prayer "Thank God for little things" and The Lord's Prayer.

Lunch was served and a social half hour enjoyed by all.

## NOTICE OF APPLICATION

The Pits and Quarries Control Act, 1971

I, Glenn Rollins, R.R. 3, Madoc, Ontario, K0K 2K0, hereby give notice that application for a licence to open, establish or operate a Pit (pit or quarry) on the lands described as follows: Part Lot 26, Concession IX, Madoc Township, County of Hastings, consisting of 7.15 hectares, more or less. The estimated amount of sand, gravel and fill (material) to be extracted annually is 15,000 (number) tonnes.

The operation will be an intermittent operation with a portable plant installation.

The last day upon which objections may be filed with the Minister of Natural Resources is January 6th, 1987.

c/o District Manager, Ministry of Natural Resources,

1 Richmond Blvd., Napanee, Ontario, K7R 3S3.

Applicant: Glenn Rollins  
Dated this 19th day of November, 1986.

Quote of the week  
"Nothing is waste that makes a memory."  
- Ned Rorem

## Parking spots for Handicapped

Councillor John Hall is concerned that the general public is not fully aware of these designated spaces and that they are being used for general parking.

There are two downtown parking locations designated as Handicapped Parking, one outside of the Health Unit and the other at the Hair Stop.

Council addressed this question some time ago and determined the need for establishing such spots to give easier access to stores and facilities for the handicapped.

They ask for the co-operation of the motoring public in leaving these two spaces for the use of those members of the Community who need them most.

## Successful Hunt

Reports from local hunters indicate a successful deer hunt this year with many animals weighing in at 200lbs plus.

Good weather during the two week hunt, apparently helped as tallies of deer taken by men and women hunters showed an increase over last year's harvest. It seems that more and more women are taking up

hunting and the number of successful women in this year's hunt bears a relationship to the number of women undertaking the firearms handling courses.

About 1400 hunters were checked by officials in the Tweed MNR district which covers about 25 townships. A number of charges stemming have been laid

## D.S.T.

Cont'd from page 3  
start in the first week in April rather than the last week of that month.

This change follows the American move to earlier D.S.T. and will mean an extra

hour of daylight after work. It is estimated that up to \$25 million could be saved in energy costs by this change as well as providing more useful and productive time for people who work outdoors.

Theresa Bailey was a very disappointed young lady last Thursday when a minor medical problem kept her out of competition in the Eastern Ontario Figure Skating Sectionals in Kingston. Keep up the practice Theresa, there's always next year.

## Obituary

CLAUDINA VIVIAN GRAHAM

Funeral services for Claudina Vivian Graham were held at McConnell Funeral Home on November 13th 1986.

Mrs. Graham, of 220 Elgin St. Madoc, had lived in the area for almost fifty years and had been ill for the past five years. She passed away at the Belleville General Hospital on November 10, 1986 at age 69.

Born and educated in Coe Hill, the daughter of George and Lily Vanclef, Mrs. Graham is survived by her husband Peter and was prede-

ceased by her first husband Jesse Brady and grandson Leslie Brady.

Surviving children are John Robert Brady of Belleville, Joan Ann Wood of Scarborough, David Charles Brady of Madoc, Mary Jane Brownson (Mrs. Allan) of Ennismore and Kenneth Graham of Kingston as well as 6 grandchildren and 10 great grandchildren.

Mrs. Graham also leaves, brothers Arnold Vanclef of Kingston, Percy, Orville and Russell. She was predeceased

by sisters Verna and Mildred.

A member of the Church of Jesus - Christ of Latter Day Saints, Belleville, services for Mrs. Graham were conducted by Bishop Stephen Murray with interment in White Lake Cemetery with the grave being dedicated by grandson John Brady.

Pallbearers were grandsons, John Brady, Richard Brady, Dale Brownson, Dean Brownson, James Anstee and great grandson Robert Brady.

## Trent River artist displays natural talent

AN ENGLISH HUNT SCENE! Artist Mrs. Jean Beatens, of Trent River, is pictured above with the wall mural which she both designed and painted. The colorful painting covers a major part of the wall space in her English-style home. Mrs. Beatens is well-known for her portrait paintings, but she says that she really enjoys painting animals. In addition, she also enjoys writing, which includes both short stories and poems.

## Gypsy Moth egg mass surveys completed

Egg mass surveys for gypsy moth have now been completed on crown land throughout eastern Ontario.

"Counting of egg masses is one of the principal methods that we use to predict what defoliation damage might be expected next spring," said Alec Denys, co-ordinator of the Ministry of Natural Resources' Gypsy Moth Program.

Egg mass numbers were generally lower in most areas of Lennox and Addington, Hastings, Prince Edward and west Frontenac counties, where defoliation has been most severe in recent years, but certain areas, notably the

Oak Hill Lake, Weslemkoon Lake, Kashwakamak Lake, Big Gull Lake and Crotch Lake areas, still show high egg mass numbers and are expected to have serious defoliation next year.

High egg mass counts were found in the Griffith area of Renfrew County, in Lanark County, in the eastern parts of Frontenac County and in Leeds County. All of these infestations are likely the result of caterpillars being blown in from the original infestation to the west by the prevailing southwesterly winds.

High numbers of egg masses were also found in the Kasha-

bog Lake area in Peterborough County, in the Constance Bay area of Ottawa Carleton region and in the area around Castleton in Northumberland County.

"There was a significant decrease in egg mass numbers on all areas that were sprayed with Bt by the Ministry last May and June," noted Denys. "This is very encouraging, because not only did the Bt reduce defoliation, but Bt spraying resulted in fewer egg masses laid to hatch the following year."

Ministry foresters and entomologists, in conjunction with the Canadian Forestry Service, are using the egg mass survey data to forecast where defoliation damage can be expected next year. "We need to have this sort of estimate in order to plan for next year's operations," said Denys, "but natural factors, such as weather, disease or predators, can produce very different results from those that we are predicting."

The Minister of Natural Resources, Vincent Kerrio, recently offered \$4.3 million in support of a 1987 private land spray program to control the gypsy moth in eastern Ontario. An additional \$5.5 million will be spent to protect crown lands. The Minister has also advised that, given the success of the 1986 program, all aerial spraying for insect control in the province in 1987 will utilize only the insecticide Bacillus thuringiensis or Bt.

BY ANNA KRIEDEMANN

Some of the words that describe Mrs. Jean Beatens of Trent River are 'artist, poetess, lover of beauty.' While this description could apply to many other people, it must be admitted that each person does possess 'something' that makes them unique. In Mrs. Beatens' case, this unique quality is in her talent, which comes out in her art as well as in the written word.

Jean won a first prize at the recent Norwood Fair for a portrait she painted of her husband, Len. This work was painted in oils, a medium which she prefers. Although, she also won a second prize for a wildlife scene painted in watercolours. This work was a 'first time' effort in watercolours, and it ended up being a prize winner anyway.

The majority of people in the area are familiar with Jean's work. She has been a prize winner at the fair many times in the past, and a few years ago her work was displayed at the old Toronto-Dominion Bank in Havelock for quite some time.

An interest in art began to develop when Jean, 'as a very young girl used to sit and sketch all of the time.' She was born in England, and grew up around Central London. She recalls that she spent a lot of time alone, and amused herself creating the black and white sketches. It wasn't until she came to Canada about 1963 that she began to paint. This started while she lived in Toronto, and began to paint posters for bazaars.

After living in West Hill for about five years, Jean and her husband Len decided to buy a property at Trent River which included a house and six cottages. Later the couple bought the Riverview Grove restaurant in Trent River as well. They continued to look after these endeavours from 1968 until 1973, at which time this property was sold and the Beatens bought a farm. Later this too was sold, and for the past five years, the Beatens have lived in a rustic English-type cottage, designed and built by Len, that almost

## Quinte Small Business Counsellors

### Concept of providing advice to entrepreneurs a valid one

After just three months in operation, Quinte Small Business Counsellors have shown that the concept of providing advice to new entrepreneurs is a valid one, according to Don Alexander, President of the organization.

"Almost fifty clients have, or are being helped with advice in areas of planning, organizing, financing and production," he said, made possible by a slate of over seventy volunteer counsellors that we have

identified.

Quinte Small Business Counsellors was initiated by Jack Ellis, M.P. for the purpose of making available advice to those beginning or expanding a small business so that they may avoid the pitfalls that many entrepreneurs encounter.

Additional information is provided from the agency office at 161 Front Street, Belleville, or by calling (613) 968-6030.

PARKWAY DRIVE-IN OPENS - Last Saturday, the Parkway Drive-In in Campbellford at 13 Park Street, opened to begin serving people like it did in the fifties and sixties. Pictured above is owner Hector Macmillan Jr. and the last piece of equipment to be installed at the restaurant - an original 1961 Seeburg jukebox. There are 160 selections to choose from, including some of the golden oldies from the fifties and sixties. The Parkway Drive opened on Saturday with a limited menu, but the expanded menu of homemade North American food, three Chinese dishes, two Italian dishes, shakes, sodas, fish 'n chips, and chicken will be ready sometime this week.

# CHSS Martial Arts Club News

By Sensei Bob Walther

## BRIAN ARMSTRONG NOW BROWN BELT

So much has happened in our Dojo during the last few weeks

which makes it doubly difficult to compress the news into an article. Obviously, the matter of greatest importance to us right off, is the promotion of long time senior student Brian Armstrong to Brown Belt in

both Karate and Jiu Jitsu. Brian was part of a trio of Blue Belts who recently undertook a grueling four hour exam in Trenton. The tests were conducted by Black Belts Rob Chamberlain and Don Legault.

Brian is very popular with youngsters in the martial arts. They look on him as someone to emulate, a good technician and disciplinarian with an attitude of fairness and a sense of humour. This past week, youngsters in the children's classes at the Dojo where Brian normally teaches, were quite excited about the promotion, as though they were the ones themselves top have been promoted. Good luck Brian, in the year to come. The Big Test is next.

### OTHER PROMOTIONS

There were of course, other promotions. Terry Fleming was graded to Orange Belt in Karate and Jiu Jitsu, Terry Langevin, Rob Kennedy and Joel Curtis were promoted to Yellow Belt stripe and in the Children's Martial Arts Class, Jason Trevorton was promoted to White Belt stripe. Rob Lake, Curtis Hollister and Angus McNeil were also promoted to White Belt stripe.

### STREET PROOFING

As an extension of the street-proofing that we conduct in the children's classes, we have also touched on the dangers of drugs. Our motto simply states "Karate Kids Don't do Drugs." Our "Karate Kids" are quite proud of learning to improve their physical and emotional selves. Any child wearing a Yellow Belt is introduced into the Leadership Program with its many concepts on large group leadership, leadership roles, decision making, etc. Nothing must undermine the steady growth in confidence and attitude of the "Karate Kids" in our Dojo, especially something as insidious as drug abuse. This program has just been applauded by the Military Police at CFB Trenton as an important follow-up step to the work done by law enforcement agencies with drug abuse education.

### GENERAL NEWS

Note to parents - if your children suddenly turn to you and say, "Domo arigato" for something you have just done for them, don't be surprised. They are simply expressing "martial arts good manners" and what your child is saying to you is "Thank you very much." The few great martial arts masters I have met all had impeccable manners.

Please don't forget the CHSS Martial Arts Club's invitation to the all-Dojo Christmas Party on December 5th at 8.00 pm. We have lots of good food, games, quite a few prizes, a D.J. with music and of course, Santa will be there too. Youngsters and adults are

invited. We are expecting quite a big crowd. This will be your chance to meet members of other affiliated Dojo.

Sensei Bob Leonard of the Trent Valley Dojo will host a large inter-club tournament at his newly opened Dojo at the Belleville YMCA. This slated for the end of January and we encourage all our new members to become involved. **UNSOLICITED COMMENTS**

Recently, a picture of our own Dennis Derry having his hair pulled upwards, appeared in another newspaper. Dennis was taking part in "control over multiple assailants" practise with improved techniques. Yess, Dennis still has his hair. The idea of this type of practise is to control a number of people all at once by manipulating them through easy and obvious ways. The comment beneath the picture, however, was unsolicited by our Dojo or our instructors.

Surprisingly enough, informed comment has no age barriers. For instance, Robert Chamberlain, who is no stranger to our Dojo, knows over 42 martial arts forms at this stage, teaches four days a week, practices 5 martial arts and is only in his early twenties. By age 30, this remarkable young man should be a fount of information on anything from "kansetsu waza" to the true meaning of martial arts practise.

### GRADE RESULTS

Lastly, look forward to a host of grading news very soon in this paper, as all our newcomers, both children and adults, prepare for the White Belt stripe.

## CHILD TAX CREDIT PREPAYMENT PROGRAM

### \$300 Per Child

If you qualify, your cheque is in the mail.

### Who Qualifies?

You'll automatically receive an advance payment of \$300 per child if you meet the following conditions:

- Your net family income in 1985 was \$15,000 or less,
- You have a dependent child or children who will be under 18 years of age on December 31, 1986,
- You received a child tax credit this year for that child or those children.

### Why is the government doing this?

The advance payment, a part of the child tax credit, is designed to assist over 750,000 low-income families with children. Among other things, it will reduce the pressure on these families to discount their child tax credit cheque.

### What about the rest of my credit?

To receive the rest of your 1986 child tax credit simply fill out the child tax credit form on your 1986 income tax return. The maximum credit per child is \$454.00, up from \$384.00 in 1985.

### And if I don't qualify for the advance payment?

If you received Family Allowance for a child or children this year, you may still be eligible for a maximum or partial credit. To find out, simply fill out the Child Tax Credit form on your 1986 income tax return.

### For more information

See the insert in your November Family Allowance cheque or contact your nearest district taxation office. (The number and address are in the government pages of your telephone book).

## Havelock Pee Wee news

The local Pee Wee team is sponsored by the OPP and Newton Building Supplies.

The start of the '86-87 season was a bit shaky. The first game was played in Havelock against Norwood, resulting in a 5-2 loss.

Havelock goals were scored by Dwayne King and Allister Woodburn, with assists from Darryl Watson and Todd Drain.

The second go-round was against Hastings with much the same outcome, goals coming from Glen Ford 2, Todd Drain and Jason Therrien, assist; Lee Reynolds, 3; Ehren Mendum 2, Jeff Van Allen, Dan Rutherford and Todd Drain.

Game three saw the boys do a turn around. We played on Friday against Warsaw, staying on top from the drop of the puck.

The top scorer in this game was Dan Rutherford with four goals and three assists, Jason Therrien, 3 goals and 1 assist, Allister Woodburn, 2 goals and 3 assists; 4 assists coming from Jeff Van Allen; Glen Ford, 2 goals, 1 assist; Todd Drain, 1 goal, 2 assists; Lee Reynolds, 1 goal, 1 assist; Dwayne King, 1 goal; Darryl Watson, 2 assists; and Ehren Mendum assisting on one goal, but doing a super job at keeping the puck out of our end. This splendid effort helped Kevin Adley his first shutout.

## Nordic Cresting Novices

On November 9th, Havelock Nordic Cresting Novices played host to Warsaw. Havelock scored early and never looked back skating to a 9-0 win.

Scoring were: Bryce Levesque and Kevin Larmer, each with three; Jason Stock-

dale, Blaine Pomeroy and Darryl McMillan, who was assisted by Ryan White.

Michael Buchanan registered the shutout.

Our next home game on Sunday, Nov. 16, at 6 p.m., against Keene.

## Havelock Novices Tie Two

On Friday, Nov. 14, Havelock Nordic Cresting Novices visited Campbellford.

Campbellford scored midway through the first to take an early lead. There was no scoring in the second period of this action-packed game, but in the third Havelock's Kevin Larmer scored to tie the match Havelock 1 - Campbellford 1.

On Sunday, Nov. 16, Havelock Nordic Cresting Novices hosted Keene in what turned out to be a see-saw battle.

Scoring for Havelock were: Chris White from Kevin Larmer, Kevin Larmer from Jason Stockdale, Kevin Larmer, Chris White from Kevin Larmer and Barry Carnes, Matthew Hubble from Bryce Levesque.

Final score was Havelock 5 - Keene 5.

## Hillcrest

### Highlights

By Annalise McGovarin and Rosalind O'Connell

Our school will be having a Book Fair from December 1st to 5th. It will be situated inside the main entrance and will be open every afternoon, from 1:00 to 4:30, with special hours one evening only, Tuesday, December 2nd, 6:00 p.m. to 8:00 p.m. Books will be available for children of all ages and reading levels.

The school will receive a percentage of the total sales in cash or books, so we hope there will be a great deal of support for this endeavour. Everyone in the community is welcome to attend - a great spot to do some of your Christmas shopping!

### We Join the Parade!

By the time this appears in the paper, there will be only a few days left before this year's Santa Claus parade, to be held on Saturday, November 29th in downtown Campbellford.

Hillcrest School has entered a float in the parade for several years, and is working on our entry again. We plan to have our float display ideas related to our new areas of community involvement.

Mrs. Godden's Grade Eight class is working on ideas for video presentations that you will be able to see on Campbellford Cable T.V., Channel 4.

## There is a new Ontario law that provides workers with greater protection against toxic agents.

Whether you work in an office, a mine, a factory, or a shop, you could be exposed to hazardous biological or chemical agents without ever knowing it.

On November 6, a new regulation was made by the Ontario Government which will come into effect December 6, 1986. This new regulation provides greater protection to everyone in the workplace in two different ways. First, it sets out specific legal limits on exposures to more than 600 different toxic agents. And second, it requires exposures to toxic agents in the workplace to be reduced by engineering controls, such as improved ventilation, rather than by the use of respirators.

If you'd like a listing of the agents and information about the exposure limits placed on them, visit the Ontario Ministry of Labour Office nearest you.

If you'd like to order a copy of the booklet which contains the regulation and lists the toxic substances and exposure limits, send a cheque or money order for \$1.00, payable to the Treasurer of Ontario, to:

Ministry of Government Services  
Publications Services Section

## CDHS Sports

# Wrestlers off to impressive start

The first meet of the season for the CDHS wrestling team took place last week at Fenelon Falls with the CDHS squad placing second overall of 11 schools. "That's the highest placing we've had in recent years," said wrestling coach Murray Fischer.

Novices did very well in the tournament to contribute to the team standing. Fischer feels CDHS has a very strong team this year and he hopes to regain the Kawartha title before wrestling ends.

Glen Apars started this year where he left off last year by placing first in the 68.5 K class. Terry Darling and Alex Yule also got off to good starts by placing first in the 88 K and heavyweight divisions respectively.

Third place finishes were achieved by three novices: Steve Vickers in the 41 K class, Fred Clarke in the 47.5 K class, and Doug Jackson in the 55 K class.

Fourth place finishes were achieved by Bart Vickers in the 55 K class, Travis MacKeen in the 58.5 K class, James MacIntosh, a novice, in the 88 K class, and Paul Copeland, another novice, in the heavyweight division.

Also wrestling in the meet were Adrian Riley, a novice in the 45 K class, Dan Rix, a novice in the 47.5 K class, Scott MacCredie, a novice in the 51 K class, Peter Fairman, a novice in the 51 K class, Mark Clark in the 58.5 K class, John MacIntosh, a novice in the 62 K class, and Larry Young in the 65 K class.

"Larry Young was undefeated and allowed no points against him but was eliminated because he used a throw only allowed in international

competition," coach Fischer said.

### Novices compete in Cobourg East Novice tournament

Wrestling coach Murray Fischer feels he has a very strong core of novice wrestlers this year after they placed ninth of 16 schools in the Cobourg East Novice Tournament held on November 19th.

Of the 12 wrestlers who made the trip, all 12 came home with ribbons. Over 200 wrestlers took part.

"The public school wrestling program which the high school team runs annually, has finally produced a strong novice team," coach Fischer said.

Placing first in the tournament were Doug Jackson in the 123 lb class, John MacIntosh in the 134 lb class, Joe Robertson

in the 160 lb class, and James MacIntosh in the 191 lb class.

Fred Clarke, in the 103 lb class, and Tony Pearson, in the 134 lb class, placed second.

Three wrestlers placed third, including Kirk Cork, a Hillcrest student who wrestles with the team. Cork was third in the 127 lb class. Peter

Fairman and Paul Copeland also placed third in the 116 lb and heavyweight divisions respectively.

Fourth place ribbons were brought home by Steve Vickers in the 95 lb class, Adrian Riley in the 102 lb class and Dan Rix in the 106 lb class.

## Blood sugar levels checked at Havelock clinic

People might be interested to know that blood sugar levels will now be checked at the clinic held in the Havelock Senior Citizens' club rooms on George Street.

This clinic is in addition to the already existing blood pressure clinic, which starts at 1:30 p.m., on the last Wednesday of every month.

The equipment for checking blood sugar levels has been provided by the Havelock Lions' Club.

The co-ordinator for the clinic is Mrs. Emma Gawley, who is a registered nurse with 44 years' experience. Mrs. Gawley worked as the Afternoon Supervisor at the Campbellford Memorial Hospital for 23 years previous to her retirement.

Other registered nurses on duty at the clinic include Mrs. Marjorie Wood, Mrs. Bernice McKay, Mrs. Jackie Kelly, and Mrs. Meryl Hubble.

A normal blood sugar reading is 7.9, says Mrs. Gawley. A couple of incidents at the clinic recently registered 17 and 18, which she described as "extremely high."

## Madoc

### Phillips With Two

Brian Phillips scored two goals and added an assist in his Novice team's 3-1 win over Tweed. To date, Brian leads his team in scoring for the year with nine goals and three assists.

Madoc's third goal was scored by Jose McNeil. Steve Landan and Brian had assists. Ryan Foote scored for Tweed.

The next home game is on November 29, at 11:30, against Frankford.

### Atoms Win Their Third

The Madoc Atoms defeated Marmora 7-4 and put their record over 500 with their third win of the year.

Marcie Deering scored twice and single goals went to David Graham, Todd Matthews, Gerry Brownson, Brad Bate-man and Glen Meeks. Glen also had an assist, with Patrick St. Germain collecting two assists. David Graham, Rob Perrie, Gerry Brownson, Derek Davidson and Craig Alexander all had assists.

Their next home game will be on November 29, at 12:30, against Marmora.

### Loss To Stirling

The Madoc IGA Pee Wees lost a close 5-4 decision to Stirling in exhibition play. The locals saw a 4-1 lead disappear as Stirling scored four unanswered goals in the third.

Scoring for Madoc: Pat Graham with two (the second unassisted), Brad Phillips and Scott Tracey with singles (Scott's was also unassisted). Clayton Curl recorded two assists and Ian Richardson, one assist. Ian currently leads the team in points with seven goals and nine assists.

Next home game: November 28, at 7:30, against Frankford.

### Marmora Doubles Bantams

The Madoc Bantams dropped their first of the year to Marmora 4-2. Marmora scored four in the second to give them a four-goal lead going into the third. Glen Kelsh recorded three goals and assisted on Chris Hoover's goal.

In the third, Jeff Sawkins and Brian Forestell scored for Madoc. Brian's goal came with

## Minor

only one second left in the game.

Next home game will be played on November 28, at 9 p.m., against Marmora.

### Midgets Win Third

Derek Chapman and Tony Langevin share the lead for points on the Midget team with seven points. Both boys had goals in the Midgets' 7-1 victory over Marmora.

Other goal scorers were: Greg Tobin, Brian Forestell, Brian Derry, Scott Chapman and Jon Richardson. Adding assists were: Jon Richardson, Mike Aggett, Paul Attwell, Tim Hunt, Tony Langevin, Lenny Hyde and Jamie Danford.

Record for the Midgets for the year: 3 wins and one loss.

### Finally A Win!

The Pee Wee 'B's recorded a

## Hockey

league win and an exhibition tie for their first points of the year.

Angus McNeil scored twice and added an assist in the 4-3 victory. Robbie Treverton and Jamie McCann added the other two goals. Both were first of the year. Assisting were: Joe McCaw, Mark Deering, Scott Sherren and Rob Henderson.

Angus McNeil also scored twice in the 5-5 tie with Napanee. Gord Preston also added a pair, with a single going to Jamie McCann. Assisting were Angus with two and Joe McCaw, Rob Treverton and Rob Henderson with singles.

The record for the year stands at one win, one tie and two losses.

### Bantam 'B's Win Third

The Bantam 'B's won their third of the year with a 6-4 victory over the Stirling Blues. Cont'd to page 16A

## TENDER

The Crowe Valley Conservation Authority will accept tenders for the supply of approximately 11,000 litres of furnace oil (12 month period) for the Administration office in Marmora. Closing date will be December 5, 1986. Tenders should be sent to P.O. Box 416, Marmora, Ontario K0K 2M0. For further information, call 472-3137.

**PREPARING FOR WINTER**  
by Mike Singleton  
For the Federation of Ontario Naturalists

Walking past a pond at this time of year is an almost-ecore experience. Just two months ago, all was bustle and chaos. Warblers, thrushes, frogs and insects filled the air with an ever-changing, almost-orchestral soundtrack from dawn to dusk and beyond. Dragonflies zipped back and forth, while muskrats munched through luxuriant plant growth. Today, all is silent, except for the rustling of a few leaves.

For years, I wondered where everything went - how could so much life simply (end abruptly) disappear?

As usual in nature, there are many different answers.

The frogs, which lined up like dots along the shoreline, are heading downward now,

below the frostline. Many, like the bullfrog, swim out from shore and dive to the bottom, where they wedge themselves under branches or logs, or into the mud itself. Others, like the cricket frog (and American toad) seek out soft soils, often with a good humus layer which will minimize frost penetration. There, they laboriously dig and wiggle downward. Like all "cold-blooded" animals, their body temperatures float with that of their environment. As they're cooling now, their whole body function is slowing down, into a state of 'near-suspended' animation. Their heart almost stops. They slow or stop inhaling and exhaling, exchanging oxygen and carbon dioxide across their skin's surface.

The snakes are heading down too - some into rocky crevices, others head into abandoned burrows. Many head beneath ancient, rotting

logs which not only act as insulators, but whose decomposition also generates heat. Recent studies on the Massasauga have been fascinating, suggesting that many snakes head for trees and stumps in swamps, when they follow paths created by loose or rotting tree roots downward to the ground water level. They submerge their bodies with just their heads projecting above the water.

The adults of most insects have been killed off by frost. For most moths and butterflies, the cocoon and chrysalis stages produced by summer's caterpillars are the future - quietly awaiting spring's emergence. For others, it's the eggs - buried in the soil, or "injected" into plants, stems and bark, to which next year is entrusted. But there are always exceptions. Mourning cloak butterflies are now 'settling down' to spend the winter in hollow trees, and will be out and about, as spring's melt is still in progress.

It's a good time to go for a walk - along a pond, or a lake edge. It's time to listen to the silence. To wonder. And to reflect upon the bountiful life which will burst forth again, next spring.

David Jackson and Mat Lewis, both 11 and both of Marmora are scouts with the Marmora and District Boy Scouts. They were among the many members delivering flyers for an area merchant on Nov. 22.

This is the ninth of the year recorded in the Madoc Minor Hockey System. Dwayne Rollins, Jeff Wiggins and Dale Sager scored the other three goals. Rollins also had two assists with singles going to Shaun Gray, Robyn Plumble, and Rodney Forbes.</p> <p>The 'B's have yet to lose this year.</p> <p>before you send it, seal it... with a Christmas Seal</p> 

## Hillcrest Highlights

Cont'd from page 3A

From Ms. Philip's Grade Seven and Mr. Cottle's Grade Eight we will have intrepid "Easy Readers", who have undertaken to read on a regular basis to very young people at Link House.

Grade Five students from Mrs. Samis's class will show you some of the activities in their "Adopt-a-Gram" project. This is a super idea for sharing time and talents between older and younger people. We hear that there's some reading involved here also.

You may see some of the busy reporters from Mrs. Milne's Grade Seven French Immersion class who try each week to keep you up to date on Hillcrest activities and personalities. You might even be interviewed for your impressions of the parade, so watch carefully!

Mr. Cowling is co-ordinating the work on the float. He says he hopes that both our float and the whole parade will be very successful.

# A Neglected Furnace Can Be Dangerous.

The best way to ensure that your furnace is safe is to have it checked periodically by a registered heating contractor. A quick check can reveal small problems, before they become large problems.

A blocked chimney or faulty furnace can cause serious health problems and even death by allowing carbon monoxide gas to spill into your home. Also, if there isn't sufficient household air for proper furnace combustion, exhaust gases may be prevented from rising up the chimney, and leak back into your home.

This can occur when the fireplace, kitchen fan or other air exhausting appliances are operated in a home.

If you're a homeowner, it's your responsibility to see that your furnace is properly maintained. A safe furnace makes your home a healthier place to be.

For more information, contact your natural gas, oil, or propane supplier. Or, phone a registered heating contractor near you.

A message from the Fuels Safety Branch of the Ministry of Consumer and Commercial Relations.
